Dear Sir(s)/Madam,

Sub: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") - Suspension of operations due to flooding and heavy rains at the Dhrangadhra Plant of the Company

Pursuant to Regulation 30 of the Listing Regulations, we would like to inform you that the operations at the Company's plant located at Dhrangadhra - 363 310, Surendra Nagar District, Gujarat, have been temporarily suspended due to flooding and waterlogging at the factory premises caused by heavy rains since Saturday, August 01, 2026, which was intimated by the Plant to the Company on August 03, 2026.

Although the rainfall has presently become intermittent, the Company expects that normal operations will resume in approximately 10 to 15 days, subject to weather conditions and completion of restoration activities. The delay in resumption of operations is primarily due to flooding of the ground floor and underground areas of the plant.

The Company expects a gradual ramp-up of operations following completion of the restoration and recommissioning activities.

The Company is taking adequate measures to ensure safety of equipments, materials and all personnel.

We would keep the Stock Exchanges and all our stakeholders updated on any significant developments going forward and shall also keep informed as soon as the plant becomes operational.

Further in terms of SEBI Master Circular HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 read with Regulation 30 Para B of Part A of Schedule III of the Listing Regulations, the additional information required is given in the **Annexure - A**.

You are requested to take the same on record and obliged.

Yours faithfully,

For DCW Limited
