Sub: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015

Ref: Intimation dated 06th March, 2026

Dear Sir/Madam,

Further to our earlier disclosure dated March 6, 2026, the Company wishes to provide an update on the prevailing situation.

The Central Government has, with a view to maintain supplies and ensure equitable distribution and availability of natural gas for priority sectors, issued a notification regulating allocation of natural gas. Under the said notification, supplies have been prioritized for specified sectors, including LPG, CNG and domestic consumption.

In this context, the Company informs that gas supply has continued on a regular basis; however, such supplies have been at significantly elevated prices. Despite the increase in input costs, the Company's production operations have remained normal without any material disruption.

The Company continues to monitor the situation and will inform the stock exchanges of any material developments if the board deems it necessary.

This may please be taken on record and suitably disseminated to all concerned.

Thanking You,

Yours faithfully,
For, Deem Roll Tech Limited
