Dear Sir/ Madam,

Sub: Change in Senior Management:

In terms of Regulation 30 (read with Part A of Schedule III) and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Company has strengthened its manufacturing leadership structure by creating two distinct leadership roles within the Manufacturing function, namely (i) President - Manufacturing Operations and (ii) President - Manufacturing Excellence & Technology Development.

Accordingly, Mr. Amir Alvi has been appointed as “President - Manufacturing Operations” and designated as a Senior Management Personnel of the Company with effect from 1st September, 2026.

Further, Mr. Pandurang Landge, currently designated as “President – Manufacturing” and forming part of the Senior Management of the Company, has been redesignated as “President - Manufacturing Excellence & Technology Development” with effect from 1st September, 2026.

The details, as required pursuant to Para A of Part A of Schedule III read with SEBI Master Circular bearing No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated 30th January, 2026 are given below:

Sr. No.	Particulars	Details	
		Mr. Amir Alvi	Mr. Pandurang Landge
1	Reason for change viz. appointment, resignation, cessation, removal, death or otherwise	Appointment	Change in designation
2	Date of appointment/cessation (as applicable) & term of appointment	Mr. Amir Alvi has been appointed as “President - Manufacturing Operations”, Senior Management Personnel of the Company with effect from 1 st September, 2026.	Mr. Landge has been redesignated as “President - Manufacturing Excellence & Technology Development” Senior Management Personnel of the Company with effect from 1 st September, 2026.
3	Brief profile (in case of appointment)	Mr. Alvi brings with him more than thirty-six years of rich and diverse leadership experience in Fertilizers & Chemicals Industries, with expertise in Manufacturing, Plant Management, Marketing, Supply Chain, end-to-end Project Execution (concept to commissioning), P&L Management, multi-site Manufacturing Operations, Capex Projects & Plant Debottlenecking / Expansion, EHS & Process Safety Excellence,	Mr. Landge has 44 years of domestic and overseas experience in operations, business conceptualisation, projects execution and product development, projects commercialisation and running businesses. He started his career with Rashtriya Chemicals & Fertilizers (RCF) with responsibilities of project execution and operations of world-scale Ammonia plants. He spent 20 years in Saudi Arabia as the head of a start-up which, under his

		Government & Regulatory Liaison, Global JV Management & Technical Collaboration etc Mr. Alvi, immediately prior to joining us, was associated with Coromandel International Ltd., where he served more than a decade and progressively advanced from the position of Executive VP & Head of Manufacturing to Chief Operating Officer (Fertilizers). Before this, he was also associated with Tata Chemicals Limited for around twenty-three years and consistently advanced through leadership roles while successfully managing large-scale fertilizer and chemical manufacturing complexes. Across his career, his leadership has brought prestigious awards to the companies he has been associated with, like the CII ITC National Sustainability Award by the President of	leadership, grew into a multi-product, multi-million dollar venture – that went public in 2008 with him as the first non-Saudi President of a Saudi Arabian public company. Mr. Landge holds a Graduate Degree in Chemical Engineering from the University Department of Chemical Technology (UDCT), Bombay University.
--	--	---	---
