Re: Updates on Fire Incidence at Nandesari, Gujarat

Further to our earlier letter dated 2nd July, 2022, we are pleased to inform that, post submission of our remaining compliance reports towards various conditions imposed by authorities including Directorate of Industrial Safety & Health and Gujarat Pollution Control Board ('GPCB') and upon finding the same to their satisfaction, the Company has received directions from GPCB revoking the closure order, currently for three months and permitted the Company to start manufacturing activities at the entire plant except affected parts of Nitrite Section.

With this, the entire plant situated at Nandesari, Gujarat except part of Nitrite Section facility, has restarted operations.

Kindly take the same on your record.

Yours faithfully,
For **DEEPAK NITRITE LIMITED**
