Sub: Disclosure under Regulation 30 of SEBI (Listing Regulations and Disclosure Requirements) Regulations, 2015

This is with reference to our earlier intimation dated March 25, 2020 regarding temporary suspension of operations of the Company and in furtherance of our intimations dated April 7, 2020 and April 17, 2020 wherein we had informed about commencement of partial operations for manufacturing products required for essential commodities at its manufacturing facilities situated at Nandesari, Roha, Taloja and Dahej.

In this regard, this is to inform you that in view of requirements of various other products of the Company by customers, which are essential raw materials used in the manufacturing of essential commodities, the Company applied to concerned authorities for granting permission to manufacture such products at its manufacturing facility situated at Hyderabad.

Accordingly, having received the permission from concerned authorities, the Company, after taking all necessary measures (a) to ensure supply of raw materials and manpower and (b) to ensure safety of its workmen, partially commenced operations at its plant situated at Hyderabad.

It may be noted that now all manufacturing facilities of the Company have commenced partial operations for ensuring supply of essential commodities during nationwide lockdown due to Covid-19 outbreak.

Kindly take the above information in your records.

Thanking you,

Yours faithfully
