Dear Sir/ Ma’am,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, please note that an incident of gas leak during the workover operations was reported at Well Mori #5 Andhra Pradesh, operated by Deep Industries Limited (DIL) under ONGC’s production enhancement activities. Immediately after re-perforating, the well kicked and uncontrolled flow was observed. Reservoir was tested earlier and accordingly all safety measures were taken prior to carrying out re-perforations. DIL and ONGC’s senior teams are on job for controlling the well.

This is for your information and records.

Thanking you,

Yours faithfully,
