Dear Sir/Madam,

We are pleased to announce that delaPlex Limited has launched a new business line focused on Cybersecurity services, further diversifying our portfolio and expanding our capabilities in the technology sector.

This new service line empowers enterprises to navigate today’s complex digital landscape. With a dedicated Center of Excellence (CoE) and a team of certified subject matter experts proficient in technologies, laws, and processes, delaPlex is delivering a wide range of solutions, including Virtual Chief Information Security Officer (vCISO) services, Data Governance, and Security as a Service (SECaaS). Our experts hold certifications such as CISSP, CISM, ISO 27001, and CISA, ensuring compliance with global standards and regulations. Our approach ensures cybersecurity is proactive and resilient.

This strategic initiative opens new opportunities across North America, Southeast Asia, EMEA (Europe, Middle East, and Africa), and India, focusing on industries like financial services, healthcare, technology, and retail. Our solutions protect businesses from emerging digital threats while enhancing data governance and analytics. Enterprises will benefit from proactive risk management, enhanced security, real-time protection, and compliance with evolving legal requirements.

This move reinforces delaPlex’s position as a leader in innovation and digital transformation, providing clients peace of mind through comprehensive protection of their tangible and intangible assets.

The above is for your information and dissemination to the stakeholders.

Thanking you,
Yours faithfully,

For DELAPLEX LIMITED
