Business Update Release

Delaplex Limited Launches India's First Integrated Micro Data Center (MDC) Services in Collaboration with BSNL

Nagpur, 19th June 2025: Delaplex Limited, in strategic collaboration with Bharat Sanchar Nigam Limited (BSNL), proudly announces the formal launch of India's First Integrated Micro Data Center (MDC) services in Hyderabad, under the BSNL Telangana Circle. This significant development aligns with Delaplex's empanelment as a National System Integrator with BSNL.

The inaugural event was held on 18th June 2025 during the BSNL National Launch Event and was graced by Shri A. Robert J. Ravi, Chairman and Managing Director of BSNL, and Mr. Nitin Sachdeva, Managing Director of Delaplex Limited, alongside senior officials from both organizations.

Key Highlights of the MDC Solution:

- Class 4 data center compliance ensuring superior standards.
- Integrated robust computing infrastructure with advanced security and power engines.
- Hosted within BSNL's secure network with comprehensive Remote Infrastructure Management (RIM) capabilities.
- Provides scalable, secure, and high-performance digital infrastructure solutions ideal for enterprises, MSMEs, government institutions, start-ups, and digital enterprises.

Management Comment:

Commenting on the initiative, Mr. Nitin Sachdeva, Managing Director, Delaplex Limited, stated:

"We are honoured to collaborate with BSNL for the launch of Micro Data Center services. This marks a significant milestone in our journey to enable accessible and efficient digital infrastructure across India. With BSNL's trusted network and our technology capabilities, we aim to empower institutions and businesses through localized, scalable edge solutions."

Strategic Outlook:

Delaplex Limited plans to expand its Micro Data Center footprint across multiple regions in India under a strategic revenue-sharing model with BSNL. This initiative is expected to enhance resource efficiency and contribute positively to margin expansion, driven by recurring service revenues from infrastructure-led solutions.
