Delhivery Launches State-of-the-Art Lucknow Hub, Creating Jobs and Empowering Local Businesses

- *Delhivery's Lucknow Gateway Hub spans 1 lakh sq.ft., equipped with automated sortation systems and a 40% boost in storage capacity.*
- *The facility is expected to generate thousands of direct and indirect jobs while enabling businesses across the region to fulfill orders nationwide.*

LUCKNOW – July 22, 2025 – Delhivery, India's largest fully integrated logistics service provider, today announced the setting up of Lucknow Gateway Hub. The facility, spread across 1 lakh sq.ft and will accelerate the region's economic growth and create thousands of direct and indirect work opportunities. It will also empower thousands of businesses in the region, enabling them with access to nationwide markets through improved order fulfillment capabilities.

"Our operations in Lucknow and nearby areas are central to our business. This expansion helps local businesses by allowing them to ship goods across the country more quickly. Beyond commerce, this development will boost related industries such as packaging, transport, and local delivery services, generating employment in the area. Nearing the festive period, this setup will improve how customers experience our services, making them prompt and accurate," said **Dingtang Tikhak, Senior Vice President, Regional Hub Operations, Delhivery.**

With the new infrastructure, Delhivery now offers 40% more [processing capacity/throughput/load handling capacity] to meet the requirements of the region's needs and incorporates automation to handle shipment volumes with efficiency. The hub also includes two automated sortation systems with a 5,000 throughput per hour capacity for rapid and precise shipment processing.

Delhivery's expansion in Lucknow is also a step forward in empowering local entrepreneurs and businesses. With the layout offering 1,300+ bin locations and the ability to hold more than 17,000 shipments, businesses in the region can prepare themselves for the festive season. They can now store goods locally and ship them nationwide with ease, expanding their reach and improving delivery time.

The expanded Lucknow hub is part of Delhivery's broader northern India network covering Uttar Pradesh, Delhi-NCR, which includes a network of hundreds of hubs and gateways, and 450+ distribution centers. Supported by a growing ecosystem of franchise partners, the infrastructure helps thousands of businesses—especially MSMEs—access reliable and scalable logistics services to reach customers in every corner of the country.

About Delhivery: Delhivery is India's largest fully-integrated logistics services provider. With its nationwide network covering over 18,800 pin codes, the company provides a range of logistics services, such as express parcel transportation, PTL freight, TL freight, cross-border, supply chain, and technology services. Since its inception, Delhivery has successfully fulfilled over 3.6 billion shipments and today works with over 44,000 customers, including large and small e-commerce participants, SMEs, and other enterprises and brands.
