(C) RATIONALE

- (i) As part of an overall strategy for the optimum running, growth and development of the businesses of DCL, it is considered desirable and expedient to reorganise and reconstruct DCL by segregating its gaming business from hospitality and real estate vertical. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.

 - a) unlocking of value and create enhanced value for shareholders and allow a focused strategy in operations;
 - b) provide better flexibility in accessing capital and attract business specific partners and investors;
 - c) focused management approach for pursuing revenue growth and expansion opportunities in the respective business verticals;
 - d) de-risking the businesses for the stakeholders of DCL through an independent market driven valuation of their shares in DPL which will be listed pursuant to the Scheme;
 - e) streamlining of the corporate structure by elimination of legal entities; and
 - f) reduction of legal and regulatory compliances and cost savings through legal entity rationalisation.
- (iv) The Scheme is in the interest of all stakeholders of DCL, DPL, DHRPL and DCEPL.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. 2. The Board of Directors have recommended, subject to the approval of the equity shareholders at the ensuing Annual General Meeting, a dividend on equity shares of 50% i.e. ₹ 0.50 Paise per Equity Share.
3. The Government of India has consolidated 29 existing labour legislations into a unified frame work comprising four labour codes as follows : Code on wages, 2019, code on social security, 2020, Industrial relation Code , 2020 and Occupational safety, Health and working condition code, 2020 (collectively refer to as the “new labour codes”). The new Labour Codes, effective from 21st November 2025, have introduced several significant changes, including, among other things, the establishment of a uniform definition of “wages” across all four Codes. The government is in the process of issuing related rules. The new labour code have implication on employee benefits including gratuity, leave encashment and other related obligations.

The company has assessed the implication of new labour code and has recognized as incremental cost of ₹ 3.89 Crores as a part of Exceptional item during the year ended 31st March, 2026. The company continue to monitor the developments pertaining to the new labour code and the impact, if any, will be accounted in accordance with applicable accounting standards.

For the year ended 31st March, 2025 an exceptional item includes gain (net of expenses) of ₹ 57.14 Crores on the sale of 51% equity shares of the subsidiary company, Deltatech Gaming Limited and a loss of ₹ 0.15 Crores arising from the strike-off of the wholly owned, non-material foreign subsidiary, Delta Offshore Developers Ltd.

4. The figures of the last quarter are the balancing figures between results in respect of full financial year and the published year to date reviewed figures up to the third quarter of the respective financial year.
5. On 27th September 2023 the Company along with its two subsidiary companies, namely Highstreet Cruises & Entertainment Private Limited and Delta Pleasure Cruise Company Private Limited, received show cause notices from the Directorate General of GST Intelligence, Hyderabad, for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 16,822.98 crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st July 2017 to 31st March 2022 and Deltatech Gaming Limited (“DGL”), ‘the erstwhile associate company’, received show cause notice dated 28th October 2023 for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 6,384.32 crores for the period from 1st July 2017 to 30th November 2022 from Directorate General of GST Intelligence, Kolkata.

By virtue of Share Purchase and Investment Agreement dated 20th February 2025 read with amended agreement dated 19th March 2025 between Delta Corp Limited, Deltatech Gaming Limited and Head Digital Works Private Limited in relation to sale of stake of DGL, the Company’s liability in respect of the GST exposure for DGL has been capped up to ₹ 34.80 crores.

Additionally, on 17th March 2026, the Company along with its one subsidiary, Highstreet Cruises & Entertainment Private Limited received show cause notice from Office of The Commissioner Of Commercial Taxes, Goa for alleged short payment of GST aggregating ₹ 1,752.39 crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st April 2022 to 31st March 2023.

The amounts claimed under the above notices are inter alia based on the gross bet value/face value of all games played at the casinos/ online platform and short payment of GST on consideration received towards entry to the casino/gross rake amount collected from online platform during the above mentioned periods. The demands made by the authorities on the gross bet value/ gross face value as against gross gaming revenue/gross rake amount has been an industry issue and multiple representations have been made by the industry participants to the Government in this regard.

The Holding Company / subsidiary companies / erstwhile associate company, as mentioned above, have filed Writ petitions and have obtained stay order from respective High Courts on show cause notices for the respective period. The Union of India had sought the transfer of all similar Writ Petitions of the entire Industry pending at various High Courts to the Hon'ble Supreme Court The matter has been heard in detail, arguments from both the sides have been concluded and the case is presently reserved for judgement.

Without prejudice, the Company, based on legal assessment, is of the view that all the notices and the tax demands are arbitrary in nature and contrary to the provisions of law. The Company has challenged such tax demands and initiated necessary legal proceedings.

Further, Company has filed the petition before the Hon'ble Supreme Court against notice dated 17th March, 2026.

The Company has made investments in equity shares aggregating to ₹ 650.58 Crore in two subsidiaries who have received notices for alleged short payment of GST aggregating to ₹ 5,055.17 Crore. In addition to investments in equity shares, the Company has also provided short-term loans aggregating ₹ 165.37 Crore to the two subsidiaries.

Considering the fact that these subsidiaries and erstwhile associate Company have a good ground to defend against the said show cause notices, the management of the Company believes that until the GST matter gets effectively concluded, no provision for impairment is currently required towards investments made in equity shares of two subsidiary companies and towards loans given to the two subsidiaries.

6. The Board of Directors of the Company at its meeting held on 6th December, 2024 have approved Revised Composite Scheme of Arrangement amongst Delta Corp Limited and Deltin Hotel & Resorts Private Limited and Delta Penland Limited and Deltin Cruises and Entertainment Private Limited and their respective shareholders and creditors under Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 ("Revised Scheme") and the same was filed with Stock Exchanges under Regulation 37 of Listing Regulation. The Scheme will be effective from 1st April 2025. Approval from NSE and BSE has been received. Pending receipt of approval from Mumbai Bench of the National Company Law Tribunal ('NCLT'), no adjustments have been made in the standalone financial results.

7. On 19th August 2025, the Union Cabinet of India has approved the Promotion and Regulation of Online Gaming Bill, 2025 ("the Bill"), which amongst others proposes a prohibition on online games involving real-money stakes. On 22nd August 2025, the Bill received assent by the President of India making it the Promotion and Regulation of Online Gaming Act, 2025 ("Gaming Act").

The carrying amount of investments in equity shares of online gaming companies, being, Deltatech Gaming Limited, Head Digital Works Private Limited and Openplay Technologies Private Limited has been reduced to ₹ Nil as at 31st March, 2026, as the Gaming Act prohibits such companies' sole line of business resulting in a complete halt in revenue-generating activities. Accordingly, the Company has recorded aggregate of ₹ 378.34 Crores (net of fair value gain), as reduction in the fair value of the said investee companies in Other Comprehensive Income for the year ended 31st March, 2026. Impact of the same has been taken in quarter ended 30th September, 2025. Estimated deferred tax assets of ₹ 60 Crores has not been recognised on the provision made for diminution in the value of investment, as at present the Company does not have probability to set off against future taxable Capital Gain.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Group, its associates and joint ventures, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial results under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 14 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Contingent liability for Goods and Service Tax demands

4. We draw attention to Note 8 of the accompanying consolidated financial results, which describes the uncertainties relating to show cause notices received by the Holding Company, two subsidiary companies and erstwhile associate company for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 24,959.69 Crores for the period from 1 July 2017 to 31 March 2023.

Based on legal assessment, the management is confident of favourable outcome of aforesaid matter and accordingly no adjustments have been made to the accompanying financial results.

The above matter has also been included as an emphasis of matter in the audit reports issued by other auditors on the financial statements of the two subsidiary companies for the quarter and year ended 31 March 2026.

Our opinion is not modified in respect of this matter.

Emphasis of Matter – Fair Valuation of Investee Companies engaged in real money gaming business

5. We draw attention to the note 7 of the accompanying consolidated financial results which describes the impact of the enactment of the Promotion and Regulation of Online Gaming Act, 2025 by the Government of India, which prohibits the operation of online gaming businesses involving real-money stakes, on the fair valuation of the Group investments in certain entities carrying on aforesaid business, resulting in ₹ 459.52 Crores recorded as cumulative reduction in the respective fair values through Other Comprehensive Income (OCI) during the current year.

Our opinion is not modified in respect of this matter.

Auditor's Responsibilities for the Audit of the Statement

9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
10. As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

 - Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation; and

4. The figures of the last quarter are the balancing figures between results in respect of full financial year and the published year to date reviewed figures up to the third quarter of the respective financial year.
5. The standalone and consolidated financial results are available on Company's website i.e. www.deltacorp.in and also on the website of the stock exchanges, where shares of the Company are listed i.e. www.bseindia.com and www.nseindia.com.
6. The financial results of four joint ventures have been consolidated on the basis of un-reviewed financial statements prepared by the management of such respective entities.
7. On 19th August 2025, the Union Cabinet of India has approved the Promotion and Regulation of Online Gaming Bill, 2025 ("the Bill"), which amongst others proposes a prohibition on online games involving real-money stakes. On 22nd August 2025, the Bill received assent by the President of India making it the Promotion and Regulation of Online Gaming Act, 2025 ("Gaming Act").

The carrying amount of investments in equity shares of online gaming companies, being, Deltatech Gaming Limited, Head Digital Works Private Limited and Openplay Technologies Private Limited has been reduced to ₹ Nil as at 31st March, 2026, as the Gaming Act prohibits such companies' sole line of business resulting in a complete halt in revenue-generating activities. Accordingly, the Group has recorded aggregate of ₹ 459.52 Crores, as reduction in the fair value of the said investee companies in Other Comprehensive Income for the year ended 31st March, 2026. Impact of the same has been taken in quarter ended 30th September, 2025. Estimated deferred tax assets of ₹ 60 Crores has not been recognised on the provision made for diminution in the value of investment, as at present the Holding Company does not have probability to set off against future taxable Capital Gain.

8. On 27th September 2023 the Holding Company and its two subsidiary companies namely Highstreet Cruises & Entertainment Private Limited and Delta Pleasure Cruise Company Private Limited received show cause notices from the Directorate General of GST Intelligence, Hyderabad, for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 16,822.98 Crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st July 2017 to 31st March 2022 and Deltatech Gaming Limited ("DGL") 'the erstwhile associate Company', received show cause notice dated 28th October 2023 for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 6,384.32 Crores for the period 1st July 2017 to 30th November 2022 from Director General of GST Intelligence, Kolkata.

By virtue of Share Purchase and Investment Agreement dated 20th February 2025 read with amended agreement dated 19th March 2025 between Delta Corp Limited, Deltatech Gaming Limited and Head Digital Works Private Limited, Holding Company's liability in respect of the Matter for DGL has been capped up to ₹ 34.80 crores

Additionally on 17th March 2026, the Holding Company along with its one subsidiary company, Highstreet Cruises & Entertainment Private Limited received show cause notice from Office of The Commissioner of Commercial Taxes, Goa for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 1,752.39 Crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st April 2022 to 31st March 2023.

The amounts claimed under the above notices are inter-alia based on the gross bet/ face value of all games played at the casinos/online platform and short payment of GST on consideration received towards entry to the casino / gross rake amount collected from online platform during the above mentioned period. The demands made by the authorities on the gross bet value/ Gross face value as against gross gaming revenue /gross rake amount has been an industry issue and multiple representations have been made by the industry participants to the Government in this regard.

Holding Company / subsidiary company / erstwhile associate company, have filed Writ petitions and have obtained Stay orders from the respective High Courts on show cause notices for the respective period. The Union of India had sought the transfer of all similar Writ Petitions of the entire industry pending at various High Courts to the Hon'ble Supreme Court and same has been admitted by the Hon'ble Supreme Court. The matter has been heard in detail, arguments from both the sides have been concluded and the case is presently reserved for judgement.

Without prejudice, the Holding Company, its two subsidiaries and its erstwhile associate company, based on their respective legal assessment, are of the view that all the above notices and the tax demands are arbitrary in nature and contrary to the provisions of law. The respective companies have challenged such tax demands and initiated necessary legal proceedings.

Further Holding Company / subsidiary Company has filed the petition before the Hon'ble Supreme Court against the show cause notice dated 17th March 2026.

The Holding Company carries Goodwill amounting to ₹ 93.51 Crores arising out of consolidation of subsidiaries, which has been recognized in the earlier years and has investment in erstwhile associate amounting to ₹ 240.26 Crores which have been fully provided for in current year being investment in online gaming company (refer note 7 for more details). Considering the fact that the Holding, subsidiary companies have a good ground to defend against the said show cause notices, the management believes that until the GST matter gets effectively concluded, no provision for impairment is currently required towards Goodwill and other assets related to the two subsidiaries, as reflected in the consolidated financial results.

9. The Government of India has consolidated 29 existing labour legislations into a unified frame work comprising four labour codes as follows : Code on wages, 2019, code on social security, 2020, Industrial relation Code , 2020 and Occupational safety, Health and working condition code, 2020 (collectively refer to as the "new labour codes"). The new Labour Codes, effective from 21st November 2025, have introduced several significant changes, including, among other things, the establishment of a uniform definition of "wages" across all four Codes. The government is in the process of issuing related rules. The new labour code have implication on employee benefits including gratuity, leave encashment and other related obligations.

The company has assessed the implication of new labour code and has recognized as incremental cost of ₹ 5.51 Crores as a part of Exceptional item during the year ended 31st March, 2026. The company continue to monitor the developments pertaining to the new labour code and the impact, if any, will be accounted in accordance with applicable accounting standards.

For the year ended 31st March, 2025 an exceptional item includes gain (net of expenses) of ₹ 130.49 Crores on the sale of 51% equity shares of the subsidiary company, Deltatech Gaming Limited (“DGL”). As a result DGL ceased to be a subsidiary company and was accounted as associate company under equity method. The balance 49% in DGL is accounted at fair value and gain of ₹ 81.65 Crores recognised under exceptional item. Further, a gain of ₹ 1.08 Crores is arising from the strike-off of the wholly owned, non-material foreign subsidiary, Delta Offshore Developers Ltd. which is classified as a exceptional item. For all the reported period operational performance of DGL is shown under discontinued operations.

10. The Board of Directors of the Holding Company at its meeting held on 6th December, 2024 have approved Revised Composite Scheme of Arrangement amongst Delta Corp Limited and Deltin Hotel & Resorts Private Limited and Delta Penland Limited and Deltin Cruises and Entertainment Private Limited and their respective shareholders and creditors under Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 (“Revised Scheme”) and the same was filed with Stock Exchanges under Regulation 37 of Listing Regulation. 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Director's Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management and the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- Report on Other Legal and Regulatory Requirements**

Annexure B to the Independent Auditor's Report of even date to the members of DELTIN HOTEL & RESORTS PRIVATE LIMITED on the internal financial controls with reference to the financial statements for the year ended 31st March, 2026 under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of DELTIN HOTEL & RESORTS PRIVATE LIMITED ('the Company') as of and for the year ended 31st March, 2026, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31st March, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basic earnings per share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year.

Diluted earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

k) Financial instruments

A financial instrument is any contract that gives rise to a financial asset in one entity and a financial liability or equity instrument in another entity.

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C Impairment of Financial Assets

In accordance with Ind AS 109, the company applies the expected credit loss model for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The twelve months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible with 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Deltin Hotel & Resorts Private Limited
Notes to the Financial Statements for the Year Ended 31st March, 2026

ii) Financial Liabilities

A. Initial Recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans, net of directly attributable transaction costs.

B. Subsequent measurement

a) Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short term maturity of these instruments.

b) Financial liabilities at amortised cost

After initial recognition, interest-bearing loans are subsequently measured at amortised cost using the effective interest rate method.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

c) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

l) Significant management judgments in applying accounting policies and estimation uncertainty

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the period in which the results are known/ materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing on the reporting date.

Impairment of non-financial assets

Assessment is done at each Balance Sheet date to evaluate whether there is any indication that a non-financial asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Depreciation / amortisation and useful lives of property, plant and equipment / Intangible assets

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

Deltin Hotel & Resorts Private Limited
Notes to the Financial Statements for the Year Ended 31st March, 2026

Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting year.

Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

m) Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

*** Since Shareholder's equity is negative due to losses therefore debt equity ratio is negative.

**** This ratio is not determinable as at 31st March, 2026 and 31st March, 2025 due to negative net worth which is on account of losses of current year and previous years.

Note:

- Wherever, numerator and denominator both are positive, ratio is presented as positive.
- Wherever, either numerator or denominator or both are negative, ratio is presented as negative.

Reasons for more than 25% variance:

- Debt Service Coverage ratio: In the current year, the company's losses have increased and borrowings from the holding company have also risen, leading to a deterioration in the ratio.
- Trade Payables turnover ratio: Due to increase in net credit purchases, the ratio has increased.
- Return of capital employed ratio: In the current year, the company has reported further losses compared to the previous year, leading to a reduction in shareholders' equity. Consequently, the ROCE has further deteriorated relative to the previous year.

The Company manages its capital to ensure that it will be able to continue as going concern while maximizing the return to stakeholders through the optimization of the debt and equity balance. The capital structure of the Company consists of net debt (borrowings as detailed in Note 9 and offset by Cash & Cash Equivalents) and total equity of the Company.

The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Director's Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management and the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate

- internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- Report on Other Legal and Regulatory Requirements**

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31st March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

iv) Current and Non-Current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

b) Property, Plant and Equipment (including Capital work-in-progress)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes purchase price and expenditure directly attributable to bringing assets into working condition for its intended use. Freehold land and capital work in progress are carried at cost, less accumulated impairment losses, if any.

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to the Statement of Profit or Loss during the reporting period in which they are incurred.

Depreciation on Property, plant and equipments is provided under the straight line method over the useful lives of assets as prescribed in Schedule II to the Companies Act 2013 ("Act"), and management believes that useful life of assets are same as those prescribed in Schedule II to the Act.

The residual values are not more than 5% of the Original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gain or losses arising from derecognition of Property, plant and equipment are measured as difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the asset is derecognised.

c) Inventories

Delta Penland Limited
(Formerly known as Delta Penland Private Limited)
Notes to the Financial Statements for the Year Ended 31st March, 2026

Effective Interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expenses over the relevant Year. The effective interest rate is the rate that exactly discounts estimated future cash payment (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter Year, to the gross carrying amount on initial recognition.

e) **Revenue Recognition**

Revenue is measured at the value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

i) **Revenue from Sale of goods & services**

Sale of Goods & Services are recognized when significant risks and rewards of ownership are passed on to customers or when the full / complete services have been provided. Sales are stated at contractual realizable value.

f) **Employee Benefits**

There is no employee in the Company

g) **Foreign Currency Transactions**

There is no foreign transaction during the year

h) **Income Tax**

The tax expense for the Year comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the balance sheet date.

Deferred Tax

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities used in the computation of taxable profit and their carrying amount in the financial statement. Deferred tax assets and liabilities are measured using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting Year. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting Year.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

i) **Earnings Per Share**

Basic Earnings per Share

Basic earnings per share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the Year.

Diluted Earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the Year attributable to equity shareholders and the weighted average number of shares outstanding during the Year is adjusted for the effects of all dilutive potential equity shares.

j) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset in one entity and a financial liability or equity instrument in another entity.

i) **Financial Assets**

A **Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

Delta Penland Limited
(Formerly known as Delta Penland Private Limited)
Notes to the Financial Statements for the Year Ended 31st March, 2026

B Subsequent measurement**a) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C Impairment of Financial Assets

In accordance with Ind AS 109, the company applies the expected credit loss model for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The twelve months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible with 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities**A Initial Recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans, net of directly attributable transaction costs.

B Subsequent measurement**a) Financial liabilities at FVTPL**

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short term maturity of these instruments.

b) Financial liabilities at amortised cost

After initial recognition, interest-bearing loans are subsequently measured at amortised cost using the effective interest rate method.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

c) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Delta Penland Limited
(Formerly known as Delta Penland Private Limited)
Notes to the Financial Statements for the Year Ended 31st March, 2026

k) Significant management judgments in applying accounting policies and estimation uncertainty

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the Year in which the results are known/ materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing on the reporting date.

Impairment of non-financial assets

Assessment is done at each Balance Sheet date to evaluate whether there is any indication that a non-financial asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting Year.

Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

l) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Deltin Cruises and Entertainment Private Limited
Notes to the Financials Statement for the year ended 31st March, 2026

1 Company Overview

Deltin Cruises and Entertainment Private Limited, incorporated in 2017, having CIN U72900MH2017PTC451105 operates in the gaming segment. The company is involved in the design, development, consulting, marketing, and hosting of online computer and mobile games, as well as other mobile and internet applications across various media platforms. It is a step-down subsidiary of Delta Corp Limited, having its registered office at Delta House, 2nd Floor, Plot No. 12, Hornby Vellard Estate, Dr. Annie Besant Road, Nextto Copper Chimney, Worli, Mumbai, Mumbai, Maharashtra, India, 400018.

1A Statement of Compliances and Basis of Preparation of Financial Statements**i) Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereafter referred to as the "Ind As") as notified by the Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules framed thereunder.

ii) Historical Cost Conversion

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities which are measured at fair values.

iii) Rounding off Amounts

All amounts disclosed in the financial statements and notes are presented in Indian Rupees and have been rounded off to the nearest lakh, as required by Schedule III, unless otherwise stated. Amounts shown as '0' indicate values less than Rs. five hundred.

iv) Current and Non-Current classification

All assets and liabilities have been classified as current or non-current based on the Company's normal operating cycle of twelve months and in accordance with the criteria specified in Schedule III of the Act.

1B Significant management judgements in applying accounting policies and estimation uncertainty

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the period in which the results are known/ materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing on the reporting date.

Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Impairment of non-financial assets

Assessment is done at each Balance Sheet date to evaluate whether there is any indication that a non-financial asset may be impaired. If any indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Deltin Cruises and Entertainment Private Limited
Notes to the Financials Statement for the year ended 31st March, 2026

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Provision for income tax and deferred tax assets

The Company uses judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

1C Material accounting policies

(a) Revenue Recognition

Revenue is measured at the value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

i. Revenue from sale of services

Revenue from sale of services is recognised when outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognised by reference to the stage of completion of the transaction at the end of the reporting period. Under this method, the revenue is recognised in the accounting periods in which the services are rendered.

ii. Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a timely basis, by reference to the amortised cost and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(b) Income tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date. The tax liabilities are presented as net of advance tax for that particular assessment year.

Deferred Tax

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities used in the computation of taxable profit and their carrying amount in the financial statement. Deferred tax assets and liabilities are measured using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

C) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset in one entity and a financial liability or equity instrument in another entity.

Deltin Cruises and Entertainment Private Limited
Notes to the Financials Statement for the year ended 31st March, 2026

(i) **Financial Assets**

A. **Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. **Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

a) **Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) **Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) **Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. **Impairment of Financial Assets**

In accordance with Ind AS 109, the Company applies the expected credit loss model for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The twelve months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible with 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) **Financial Liabilities**

Initial Recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans, net of directly attributable transaction costs.

Subsequent measurement

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short term maturity of these instruments.

Deltin Cruises and Entertainment Private Limited
Notes to the Financials Statement for the year ended 31st March, 2026

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans are subsequently measured at amortised cost using the effective interest rate method.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

d) Borrowings

Borrowing are initially recognized at net of transaction costs incurred and measured at amortised cost. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payment (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount on initial recognition.

1D Other accounting Policy

a) Earnings Per Share

Basic Earnings per Share

Basic earnings per share are calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the Financial Year. Earnings considered in ascertaining the Company's earnings per share are the net profit for the period.

Diluted Earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1E Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

12(a) Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) The Company does not have significant exposure to the credit risk as there are no trade receivables at the year end because

(b) Other Price Risks

The Company is exposed to equity price risks arising from equity investments. Certain of the Company's equity investments are held for strategic rather than trading purpose.

(c) Capital Risk Management

The company manages its capital to ensure that it will be able to continue as going concern while maximising the return to the stakeholders. The capital structure of the company consists of cash and cash equivalents and total equity of the company.

14 Interest Rate Risk & Sensitivity Analysis

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The sensitivity analyses have been determined based on the exposure to interest rates for assets and liabilities at the end of the reporting period. For floating rate assets and liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year and the rates are reset as per the applicable reset dates. The basis risk between various benchmarks used to reset the floating rate assets and liabilities has been considered to be insignificant.

The Company does not have significant exposure to the interest rate risk as there are no borrowings at floating interest rate at the year end payable by the Company.

- (i) *As part of an overall strategy for the optimum running, growth and development of the businesses of DCL, it is considered desirable and expedient to reorganise and reconstruct DCL by segregating its gaming business from hospitality and real estate vertical. A clean corporate structure with no cross holdings will ensure transparency, accountability, highest standards of corporate governance and compliance. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.*
- (iii) *The proposed reorganisation pursuant to this Scheme is expected, inter alia, to result in the following benefits:*
- a) unlocking of value and create enhanced value for shareholders and allow a focused strategy in operations;*
 - b) provide better flexibility in accessing capital and attract business specific partners and investors;*
 - c) focused management approach for pursuing revenue growth and expansion opportunities in the respective business verticals;*
 - d) de-risking the businesses for the stakeholders of DCL through an independent market driven valuation of their shares in DPPL which will be listed pursuant to the Scheme;*
 - e) streamlining of the corporate structure by elimination of legal entities; and*
 - f) reduction of legal and regulatory compliances and cost savings through legal entity rationalisation.*

6. RECOMMENDATION OF SHARE ENTITLEMENT RATIO

Based on discussions with the Management, the share entitlement ratio has been determined as follows:

- 6.1. As mentioned in Para 1.2 above, in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and of Demerged Undertaking 2 of DCL into DPPL, DPPL would issue equity shares to the equity shareholders of DCL.

We understand that the Management have considered following parameters while arriving at the share entitlement ratio:

- i. No fractional entitlements
- ii. Future equity servicing capacity of DPPL

- 6.2. Accordingly, the Management has recommended the following share entitlement ratio in consideration for the Proposed Demerger i.e. Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL.

We believe that the aforementioned share entitlement ratio is fair considering that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.

- 6.3. As mentioned above, post the Proposed Demerger all the shareholders of DCL are and will be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL. Therefore, no relative valuation of Demerged Undertaking 1, Demerged Undertaking 2, DPPL and DHRPL is required to be undertaken for the Proposed Demerger. Accordingly, valuation approaches as indicated in the format (as attached herewith as **Annexure I-A and Annexure 1-B** to this report) as prescribed by circular number NSE/CML/2017/12 of NSE and LIST/COMP/02/2017-18 of BSE have not been undertaken as they are not relevant in the instant case.

7. CONCLUSION

7.1. The share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and demerger of Demerged Undertaking 2 of DCL into DPPL as recommended by the Management is:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

Based on our review, information made available to us and discussions with the Management, in our opinion, the aforementioned share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL is reasonable.

We believe that the aforementioned share entitlement ratio is fair considering the following:

- a) that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.
- b) DHRPL to which the Demerged Undertaking 1 is proposed to be transferred is a wholly owned subsidiary of DPPL;
- c) on demerger of the Demerged Undertaking 1 into DHRPL, there is no change in shareholding / share capital of DHRPL and 100% share capital of DHRPL will continue to be held by DPPL till the Scheme is made effective.

Thanking you,
Yours faithfully,

Dear Sir/ Madam,

Given below are our responses to the queries shared by BSE vide its email dated July 08, 2025:

1. Please confirm whether the proposed share exchange ratio has been determined after factoring in the consolidated value (Demerged Undertaking 1 and Demerged Undertaking 2) being transferred to DPPL (directly and through DRHPL) under the Scheme

Response:

DPL is a wholly owned subsidiary of DCL and DHRPL is the wholly owned subsidiary of DPL.

Once the Scheme is implemented, all the shareholders of DCL will become the shareholders of DPL and their shareholding in DPL would mirror their shareholding in DCL. The percentage holding of a shareholder in DCL (post the demerger) and in DPL would remain unchanged from the proportion of capital held by such shareholder in DCL. Hence, the share entitlement ratio would not have any impact on the ultimate value of the shareholders of DCL.

Considering the desired capital structure of DPL, serviceability and other factors, the management had proposed the share entitlement ratio of 1:1. Any ratio below 1:1 would have led to artificially low capital base not commensurate to the size of operations of DPL. Also, with the intention to minimize any fractional shareholding as much as possible, which would cause inconvenience to the shareholders, it was proposed to have the swap ratio of 1:1.

Accordingly, given the above, the proposed share exchange ratio has been arrived at irrespective of the consolidated value of the Demerged Undertakings (as defined in the Scheme) being transferred to DPL and DRHPL, respectively under the Scheme.

2. Provide a brief justification from Valuer, explaining how the exchange ratio captures the consolidated value of both undertakings being transferred to DPPL Ltd (directly and through DRHPL).

2. TRANSACTION OVERVIEW, RATIONALE OF THE SCHEME & SCOPE OF SERVICES

❖ Transaction Overview

We understand that the Management including the Board of Directors of the Transacting Companies are contemplating a composite scheme of arrangement, wherein they intend to demerge, transfer and vest the Demerged Undertaking 1 of DCL into DHRPL on a going concern basis and Demerged Undertaking 2 of DCL into DPPL on a going concern basis in accordance with the provisions of Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 and in a manner provided in the Scheme. Further, we understand that as a part of the Scheme, Deltin Cruises and Entertainment Private Limited ("DCEPL"), a step-down subsidiary of DCL will be amalgamated with DCL.

We understand that as consideration for the Proposed Demerger, equity shareholders of DCL would be issued equity shares of DPPL. The equity shares of DPPL to be issued for the aforesaid Proposed Demerger will be based on the equity share entitlement ratio as determined by the Board of Directors based on the equity share entitlement ratio report prepared by the Independent Valuer appointed by them.

❖ Rationale of the Scheme

The rationale of the Proposed Demerger as mentioned in the Scheme and confirmed by the Management is to reorganize and reconstruct the Demerged Company by segregating its gaming business from hospitality and real estate segments, resulting in separate entities exclusively focusing on a specific business segment and de-risking the businesses for the stakeholders of the Demerged Company. The Proposed Demerger would ensure transparency, accountability, highest standards of corporate governance and compliance enhancing the operational flexibility and quick response to competitive or environmental challenges.

❖ Scope of Services

We had issued our fairness opinion report on recommendation of fair share entitlement ratio for the proposed demerger of Hospitality and Real Estate Business of DCL into DPPL dated September 24, 2024, to the board of DCL and DPPL for the proposed demerger.

The management of the Transacting Companies are considering a proposal for demerger of Demerged Undertaking 1 of DCL into DHRPL and demerger of Demerged Undertaking

2	Regulatory Proceedings	Delta Corp Ltd. (earlier DHPL) vs. U.T Administration of Daman and Diu &Ors.	High Court of Bombay	Nil	<ul style="list-style-type: none"> DHPL (now DCL) filed Writ Petition No. 317 of 2019 on Dec. 13, 2018 in the Hon'ble Bombay High Court against the U.T Administration of Daman and Diu and others, essentially to challenge the arbitrary refusal by the Respondents to issue a license under Section 13 A of the Goa, Daman and Diu Public Gambling Act, 1976. Certain amendments were carried out to the Writ in 2021. By Judgment dated April 29, 2026, the Court dismissed the Petition and held that the Goa Public Gambling (Amendment) Act, 1992 – by which Section 13A was extended to the Goa Daman & Diu Public Gambling Act, 1976 - was never brought into force in the UT Daman and Diu, in the manner that was contemplated by the legislature. The Court rejected the arguments by Delta Corp made on promissory estoppel and legitimate expectation – after having expended over INR 450 crore in construction of the five-star hotel – as the refusal by the U.T. Administration of Daman & Diu to grant a licence, was a policy decision made in public interest. DCL is in the process of preparing a Special Leave Petition, challenging the Judgment, to be filed in the Supreme Court. 	Matter pending.

1	Rejection of DHPLs application without any reason/grounds for such rejection	Delta Corp Ltd. and Ashish Kapadia (Plaintiff) vs. UT Administration of Daman and Diu and Others (Defendants)	High Court	<p>There is no financial claim. Prayers include:</p> <p>(a) issue a writ of Certiorari or a writ in the nature of Certiorari or any other appropriate writ, order or direction, calling for the papers and proceedings from the Respondents of the two letters, both dated August 31, 2018, and after considering the legality and veracity thereof, the Hon'ble Court be pleased to quash and set aside the same;</p> <p>(b) issue a writ of Mandamus or any other writ or any appropriate writ, order or direction in the nature of Mandamus directing the Respondents to issue a license to DHPL under Section 13A of the Goa, Daman and Diu Public Gambling Act, 1976 to install games of electronic amusement/slot machines at The Deltin Hotel;</p> <p>(c) pending the hearing and final disposal of the Petition, grant permission/approval to DHPL to install and operate games of electronic amusement/slot machines at The Deltin Hotel on the terms and conditions as contained in 2008 Notification or on such terms and conditions as this Hon'ble Court deems fit and proper; and ad-interim relief in terms of prayer (c).</p>	<p>Daman Hospitality Pvt. Limited, subsidiary of Delta Corp Lt. had filed Writ Petition No. 317 of 2019 on Dec. 13, 2018 in the Hon'ble Bombay High Court against the U.T Administration of Daman and Diu and others, essentially to challenge the arbitrary refusal by the Respondents to issue a license under Section 13 A of the Goa, Daman and Diu Public Gambling Act, 1976. Certain amendments were carried out to the Writ in 2021. Post amalgamation of the subsidiary with Delta Corp Ltd., an Interim application was filed to bring Delta Corp Ltd., Ashish Kapadia Managing Director on record as Petitioners. The Writ has been filed on various grounds including summary rejection of DHPLs application without any reason/grounds for such rejection, violation of the principles of promissory estoppel whereby the U.T. Administration is bound by the categorical representation, assurance and promise made by it to grant approval to DHPL for installation and operation of games of electronic amusement/slot machines in The Deltin Hotel. By Judgment dated April 29, 2026, the Court dismissed the Petition and held that the Goa Public Gambling (Amendment) Act, 1992 – by which Section 13A was extended to the Goa Daman & Diu Public Gambling Act, 1976 - was never brought into force in the UT Daman and Diu, in the manner that was contemplated by the legislature. The Court rejected the arguments by Delta Corp made on promissory estoppel and legitimate expectation – after having expended over INR 450 crore in construction of the five-star hotel – as the refusal by the U.T. Administration of Daman & Diu to grant a licence, was a policy decision made in public interest.</p> <ul style="list-style-type: none"> • DCL is in the process of preparing a Special Leave Petition, challenging the Judgment, to be filed in the Supreme Court. 1. **Need for the merger, Rationale of the scheme, Synergies of business of entities involved in the scheme, Impact of the scheme on the shareholders and cost benefit analysis of the scheme**

1.1 **NEED FOR THE ARRANGEMENT AND RATIONALE OF THE SCHEME**

- (i) As part of an overall strategy for the optimum running, growth and development of the businesses of DCL, it is considered desirable and expedient to reorganise and reconstruct DCL by segregating its gaming business from hospitality and real estate vertical. This will result in the creation of two separate robust listed entities viz., DPL focusing exclusively on the hospitality and real estate vertical and DCL shall continue to be in the gaming business.
- (ii) These listed entities will be subject to public, media, analysts and regulatory review. A clean corporate structure with no cross holdings will ensure transparency, accountability, highest standards of corporate governance and compliance. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.
- (iii) The proposed reorganisation pursuant to this Scheme is expected, inter alia, to result in the following benefits:
 - a) unlocking of value and create enhanced value for shareholders and allow a focused strategy in operations;
 - b) provide better flexibility in accessing capital and attract business specific partners and investors;
 - c) focused management approach for pursuing revenue growth and expansion opportunities in the respective business verticals;
 - d) de-risking the businesses for the stakeholders of DCL through an independent market driven valuation of their shares in DPL which will be listed pursuant to the Scheme;
 - e) streamlining of the corporate structure by elimination of legal entities; and
 - f) reduction of legal and regulatory compliances and cost savings through legal entity rationalisation.
- (iv) The Scheme is in the interest of all stakeholders of DCL, DPL, DHRPL and DCEPL.

1.2 **SYNERGIES OF BUSINESS OF THE ENTITIES INVOLVED IN THE SCHEME**

The background and information of the Company, DHRPL, DPL and DCEPL is, inter alia, as under:

1 (One) fully paid up equity share of DPL having face value of INR 1 (Rupee One) each for every 1 (One) fully paid up equity share of INR 1 (Rupee One) each of the Company.

1.4 **COST BENEFIT ANALYSIS OF THE SCHEME**

Although the Scheme involves certain costs such as transaction cost, implementation cost, regulatory fees, stamp duties, etc. however, the benefits of the Scheme over a longer period would far outweigh such costs for the stakeholders of the Company.

8. Details of potential benefits and risks associated with the merger, including integration challenges, market conditions and financial uncertainties

Kindly refer to the rationale of the Scheme for details on the potential benefits arising from the proposed Scheme.

Set out below are certain indicative risks associated with the restructuring and Integration Challenges, Market Conditions and Financial Uncertainties:

Investors are advised to refer to the rationale of the Scheme for details on the potential benefits arising from the proposed Scheme.

The restructuring involves certain inherent risks, including the impact of reallocation of assets and liabilities on the balance sheets, capital structures, and funding capacity of the resulting entities.

The implementation of the Scheme is subject to receipt of various approvals, including approval from shareholders and creditors of the Company, DHRPL, DPL and DCEPL, the NCLT and regulatory authorities. In the event that these approvals are not received, it will result in the Company's inability to complete the Scheme. Further, the objects and benefits mentioned in the Scheme will not be achieved.

The implementation of the Scheme may involve one-time legal, regulatory, and operational costs, which may temporarily affect cash flows.

Given the scale and diversity of the businesses involved, the restructuring will require significant coordination among multiple stakeholders and may be complex and time-consuming, which could result in delays or unforeseen challenges.

9. Financial implication of merger on Promoters, Public Shareholders and the companies involved, synergies between entities involved along with inter-company transactions between them

Kindly refer to Paragraph 1 above for the implication of merger on the shareholders (promoter and public shareholders) and the companies involved and the synergies between the Company, DHRPL, DPL and DCEPL.

10. Confirmation that the proposed share exchange ratio has been determined after factoring in the consolidated value (Demerged Undertaking 1 and Demerged Undertaking 2) being transferred to DPL (directly and through DRHPL) under the Scheme

DPL is a wholly owned subsidiary of DCL and DHRPL is the wholly owned subsidiary of DPL.

Once the Scheme is implemented, all the shareholders of DCL will become the shareholders of DPL and their shareholding in DPL would mirror their shareholding in DCL. The percentage holding of a shareholder in DCL (post the demerger) and in DPL would remain unchanged from the proportion of capital held by such shareholder in DCL. Hence, the share entitlement ratio would not have any impact on the ultimate value of the shareholders of DCL.

Considering the desired capital structure of DPL, serviceability and other factors, the management had proposed the share entitlement ratio of 1:1. Any ratio below 1:1 would have led to artificially low capital base not commensurate to the size of operations of DPL. Also, with the intention to minimize any fractional shareholding as much as possible, which would cause inconvenience to the shareholders, it was proposed to have the swap ratio of 1:1.

Accordingly, given the above, the proposed share exchange ratio has been arrived at irrespective of the consolidated value of the Demerged Undertakings (*as defined in the Scheme*) being transferred to DPL and DRHPL, respectively under the Scheme.

11. Brief justification from Valuer, explaining how the exchange ratio captures the consolidated value of both undertakings being transferred to DPL Ltd (directly and through DRHPL)

Kindly refer to Annexure – 10

12. Details of Pre and Post Scheme net worth of DCL, DHRPL and DPL

Sub: Application under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") for the proposed revised Composite Scheme of Arrangement amongst Delta Corp Limited ("Company" or "DCL") and Deltin Hotel & Resorts Private Limited ("DHRPL") and Delta Penland Private Limited ("DPPL") and Deltin Cruises and Entertainment Private Limited ("DCEPL") and their respective shareholders and creditors ("Scheme")

In connection with the draft Scheme approved by the Board of Directors of the Company, DHRPL, DPPL and DCEPL the rationale for arriving at the share entitlement ratio for issuance of shares as provided in the fair equity share entitlement ratio report issued by SSPA & Co., Chartered Accountants, Registered Valuer is reproduced below:

RECOMMENDATION OF SHARE ENTITLEMENT RATIO

Demerger:

Pursuant to the Scheme, as a consideration for the Proposed Demerger of: (i) Demerged Undertaking 1 of Delta Corp Ltd ("DCL") into Deltin Hotels & Resorts Private Limited ("DHRPL"); and (ii) Demerged Undertaking 2 of DCL into Delta Penland Private Limited ("DPPL"), DPPL would issue equity shares to the equity shareholders of DCL.

We have considered following parameters while arriving at the share entitlement ratio:

- i. No fractional entitlements; and
- ii. Future equity servicing capacity of DPPL.

Accordingly, we recommended the following share entitlement ratio in consideration for the Proposed Demerger i.e. Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

We believe that the aforementioned share entitlement ratio is fair considering that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.

DELTA CORP LIMITED

As mentioned above, post the Proposed Demerger all the shareholders of DCL are and will be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL. Therefore, no relative valuation of Demerged Undertaking 1, Demerged Undertaking 2, DPPL and DHRPL is required to be undertaken for the Proposed Demerger. Accordingly, valuation approaches as indicated in the format as prescribed by circular number NSE/CML/2017/12 of NSE and LIST/COMP/02/2017-18 of BSE have not been undertaken as they are not relevant in the instant case.

CONCLUSION

The share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and demerger of Demerged Undertaking 2 of DCL into DPPL is:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

Based on our review, the aforementioned share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL is reasonable.

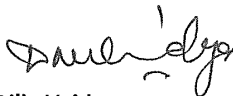

We believe that the aforementioned share entitlement ratio is fair considering the following:

- a) that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.
- b) DHRPL to which the Demerged Undertaking 1 is proposed to be transferred is a wholly owned subsidiary of DPPL; and
- c) on demerger of the Demerged Undertaking 1 into DHRPL, there is no change in shareholding / share capital of DHRPL and 100% share capital of DHRPL will continue to be held by DPPL till the Scheme is made effective.

Sub: Application under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) for the proposed revised Composite Scheme of Arrangement amongst Delta Corp Limited (“Company” or “DCL”) and Deltin Hotel & Resorts Private Limited (“DHRPL”) and Delta Penland Private Limited (“DPPL”) and Deltin Cruises and Entertainment Private Limited (“DCEPL”) and their respective shareholders and creditors (“Scheme”)

In connection with the draft Scheme approved by the Board of Directors of the Company, DHRPL, DPPL and DCEPL the rationale for arriving at the share entitlement ratio for issuance of shares as provided in the fair equity share entitlement ratio report issued by SSPA & Co., Chartered Accountants, Registered Valuer is reproduced below:

RECOMMENDATION OF SHARE ENTITLEMENT RATIO

Demerger:

Pursuant to the Scheme, as a consideration for the Proposed Demerger of: (i) Demerged Undertaking 1 of Delta Corp Ltd (“DCL”) into Deltin Hotels & Resorts Private Limited (“DHRPL”); and (ii) Demerged Undertaking 2 of DCL into Delta Penland Private Limited (“DPPL”), DPPL would issue equity shares to the equity shareholders of DCL.

We have considered following parameters while arriving at the share entitlement ratio:

- i. No fractional entitlements; and
- ii. Future equity servicing capacity of DPPL.

Accordingly, we recommended the following share entitlement ratio in consideration for the Proposed Demerger i.e. Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

We believe that the aforementioned share entitlement ratio is fair considering that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.

Regd. & Corporate Office :

Phone : +91 22 6987 4700
Email : secretarial@deltin.com
CIN : L65493PN1990PLC058817

As mentioned above, post the Proposed Demerger all the shareholders of DCL are and will be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL. Therefore, no relative valuation of Demerged Undertaking 1, Demerged Undertaking 2, DPPL and DHRPL is required to be undertaken for the Proposed Demerger. Accordingly, valuation approaches as indicated in the format as prescribed by circular number NSE/CML/2017/12 of NSE and LIST/COMP/02/2017-18 of BSE have not been undertaken as they are not relevant in the instant case.

CONCLUSION

The share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and demerger of Demerged Undertaking 2 of DCL into DPPL is:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

Based on our review, the aforementioned share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL is reasonable.

We believe that the aforementioned share entitlement ratio is fair considering the following:

- that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.
- DHRPL to which the Demerged Undertaking 1 is proposed to be transferred is a wholly owned subsidiary of DPPL; and
- on demerger of the Demerged Undertaking 1 into DHRPL, there is no change in shareholding / share capital of DHRPL and 100% share capital of DHRPL will continue to be held by DPPL till the Scheme is made effective.

Dear Sir / Madam,

The rationale and benefits arising out of the Scheme to the shareholders (including public shareholders) and as mentioned in the Scheme is reproduced below:

"

- (i) As part of an overall strategy for the optimum running, growth and development of the businesses of DCL, it is considered desirable and expedient to reorganise and reconstruct DCL by segregating its gaming business from hospitality and real estate vertical. This will result in the creation of two separate robust listed entities viz., DPPL focussing exclusively on the hospitality and real estate vertical and DCL shall continue to be in the gaming business.
- (ii) These listed entities will be subject to public, media, analysts and regulatory review. A clean corporate structure with no cross holdings will ensure transparency, accountability, highest standards of corporate governance and compliance. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.
- (iii) The proposed reorganisation pursuant to this Scheme is expected, *inter alia*, to result in the following benefits:
 - a) unlocking of value and create enhanced value for shareholders and allow a focused strategy in operations;
 - b) provide better flexibility in accessing capital and attract business specific partners and investors;
 - c) focused management approach for pursuing revenue growth and expansion opportunities in the respective business verticals;
 - d) de-risking the businesses for the stakeholders of DCL through an independent market driven valuation of their shares in DPPL which will be listed pursuant to the Scheme;

- e) streamlining of the corporate structure by elimination of legal entities; and
 - f) reduction of legal and regulatory compliances and cost savings through legal entity rationalisation.
- (iv) The Scheme is in the interest of all stakeholders of DCL, DPPL, DHRPL and DCEPL.

The resulting pro rata shareholding of an equity shareholder of the Company in the DPPL, pursuant to the proposed Scheme would be a mirror image of the existing shareholding pattern of the Company (pre-Scheme) as new shares in DPPL would be issued to the existing shareholders of the Company in exact proportion to their shareholding in the Company. As such, upon the Scheme becoming effective, the beneficial economic interest of the shareholders in the Company and the DPPL taken together, would remain the same as in the Company before the Scheme becoming effective.

Rationale for share entitlement ratio

The rationale for arriving at the share entitlement ratio for issuance of shares as proposed in the draft Scheme by the Board of Directors of the Company and as provided in the fair share entitlement ratio report issued by SSPA & Co., Chartered Accountants, Registered Valuers is reproduced below:

“6. RECOMMENDATION OF SHARE ENTITLEMENT RATIO

Based on discussions with the Management, the share entitlement ratio has been determined as follows:

6.1 As mentioned in Para 1.2 above, in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and of Demerged Undertaking 2 of DCL into DPPL, DPPL would issue equity shares to the equity shareholders of DCL.

We understand that the Management have considered following parameters while arriving at the share entitlement ratio:

- i. No fractional entitlements*
- ii. Future equity servicing capacity of DPPL*
- 6.2 Accordingly, the Management has recommended the following share entitlement ratio in consideration for the Proposed Demerger i.e, Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL:*

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL.

We believe that the aforementioned share entitlement ratio is fair considering that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.

6.3 As mentioned above, post the Proposed Demerger all the shareholders of DCL are and will be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL. Therefore, no relative valuation of Demerged Undertaking 1, Demerged Undertaking 2, DPPL and DHRPL is required to be undertaken for the Proposed Demerger. Accordingly, valuation approaches as indicated in the format (as attached herewith as Annexure I-A and Annexure I-B to this report) as prescribed by circular number NSE/CML/2017/12 of NSE and LIST/COMP /02/2017-18 of BSE have not been undertaken as they are not relevant in the instant case.”

14

Rationale for share entitlement ratio

For Demerger of Demerged Undertaking 1 of DCL into DHRPL (refer para 6.3)

Valuation Approach	Demerged Undertaking 1			DHRPL		
	Value per Share (INR)	Weights	Weights	Value per Share (INR)	Weights	Weights
Asset Approach	NA	NA	NA	NA	NA	NA
Income Approach	NA	NA	NA	NA	NA	NA
Market Approach	NA	NA	NA	NA	NA	NA
Relative Value Per Share	NA	NA	NA	NA	NA	NA

For Demerger of Demerged Undertaking 2 of DCL into DPPL (refer para 6.3)

Valuation Approach	Demerged Undertaking 2			DPPL		
	Value per Share (INR)	Weights	Weights	Value per Share (INR)	Weights	Weights
Asset Approach	NA	NA	NA	NA	NA	NA
Income Approach	NA	NA	NA	NA	NA	NA
Market Approach	NA	NA	NA	NA	NA	NA
Relative Value Per Share	NA	NA	NA	NA	NA	NA

Conclusion

The share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 of DCL into DHRPL and demerger of Demerged Undertaking 2 of DCL into DPPL as recommended by the Management is:

1 (One) equity share of INR 1 each fully paid up of DPPL for every 1 (One) equity share of INR 1 each fully paid up held in DCL

Based on our review, information made available to us and discussions with the Management, in our opinion, the aforementioned share entitlement ratio in consideration for the Proposed Demerger of Demerged Undertaking 1 into DHRPL and Demerged Undertaking 2 into DPPL is reasonable.

We believe that the aforementioned share entitlement ratio is fair, considering the following:

- that all the shareholders of DCL are and will, upon Proposed Demerger, be the ultimate beneficial owners of DPPL in the same ratio (inter se) as they hold shares in DCL.
- DHRPL to which the Demerged Undertaking 1 is proposed to be transferred is a wholly owned subsidiary of DPPL;
- on demerger of the Demerged Undertaking 1 into DHRPL, there is no change in shareholding / share capital of DHRPL and 100% share capital of DHRPL will continue to be held by DPPL till the Scheme is made effective.
