## Dev Information Technology Secures ₹26 Crore NICS I Mandate for National Pharmacists Platform

Ahmedabad – April 09, 2026 – Dev Information Technology Limited (DEV IT), (NSE – DEVIT, BSE - 543462 | INE060X01034), a global IT services company offering Cloud Services, Digital Transformation, Enterprise Applications, and Managed IT Services has announced the securing of a **₹26 crore order from the National Informatics Centre Services Incorporated (NICS I)** for the National Pharmacists Registration Tracking System (NPRTS) under the Pharmacy Council of India (PCI).

### Project Scope

The mandate covers **design, development, system integration, and maintenance** of the platform, along with implementation of **cybersecurity measures** for the existing IT environment. The company will enable a **centralized, web-based system** for efficient pharmacist registration and tracking at a national level. The contract is awarded on a fixed-cost basis with an execution timeline of approximately three years, providing revenue visibility over the medium term.

### Growth Outlook

DEV IT continues to build momentum in government and enterprise digital transformation programs, supported by its capabilities across cloud, cybersecurity, and enterprise solutions. The company is steadily strengthening its order pipeline and positioning itself in long-duration, high-value engagements.

**Commenting on the order win Mr. Pranav Pandya, Chairman, Dev Information Technology Limited, said:** *“This mandate reflects our capability to deliver large-scale, integrated digital solutions with strong execution discipline and reliability. We remain focused on scaling our presence in high-value digital infrastructure programs and driving sustainable growth.”*

### About Dev Information Technology Limited

Dev Information Technology Limited (DEV IT), founded in 1997, listed on NSE & BSE, and certified to ISO 20000, ISO 27001, ISO 9001 & CMMI Level 5, has evolved from a small-scale business automation software solutions provider into a global IT services powerhouse. Over the years, the company has empowered businesses worldwide with a blend of information technology, innovation, and digital transformation. Headquartered in Ahmedabad, with offices across India and Canada, the company emphasises continuous innovation, quality, streamlined processes, and technological prowess. The company’s people- and client-centric approach involves collaborating with clients globally to understand their specific goals and to empower them to achieve their business objectives.

The company offers a comprehensive end-to-end range of services, including Cloud Services, Digital Transformation, Enterprise Applications, Managed IT Services, and Application Development. The company’s products comprise Talligence, an accounting data analytics platform, and ByteSigner, a digital signing solution.

With its foundation in one of India’s fastest-growing metros, the company has continuously evolved to meet the dynamic demands of the IT industry. The leadership, comprising experienced professionals, drives the company towards achieving its vision of empowering businesses worldwide through cutting-edge technology solutions. The company’s steadfast commitment to innovation, quality, and client satisfaction underpins its growth and success in the IT services sector.

In conclusion, the company remains dedicated to driving digital transformation and delivering unparalleled value to its clients. As the company moves forward, it continues to embrace new challenges and opportunities, solidifying its position as a leader in the IT services sector. [www.devitpl.com](http://www.devitpl.com)

In Consolidated FY25, the company reported Total Income of ₹ 1,839.09 Mn, EBITDA of ₹ 237.18 Mn and Net Profit of ₹ 147.80 Mn.
