Notes:
1. The above Unaudited Standalone and Consolidated interim financial information of the Company for the Quarter and Half year ended September 30, 2025 has been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on November 12, 2025.
2. The Group received a settlement offer from an overseas party alleging breach of agreement in respect of certain income received by the Group recognised under Revenue from operations (Rs. 208.88 million during the quarter ended June 30, 2025 and Rs. 238.82 million during the quarter ended March 31, 2025). The Group believes that it has a strong case and will take appropriate actions as necessary to protect its interests. The auditors in their review report have included a qualification in respect of this matter.
3. On July 2, 2025, the Group received an intimation from ICC International Court of Arbitration with respect to a Request for Arbitration initiated by PDMobility Lighting Holding, France (Exshawell P/Lighting System). The request pertains to certain alleged breaches of covenants under the Securities Purchase Agreement executed between the parties on April 29, 2020, and subsequently amended on October 5, 2022, May 12, 2023, and June 15, 2023. Claims in respect of some of the breaches have been quantified at US\$ 41.4 million plus legal costs while for others no quantification has been made. The Group is evaluating the matter and exploring legal and contractual remedies. It intends to contest the claims and take appropriate steps to protect its interests. Based on a legal opinion obtained, the Group believes that it has grounds to defend against the allegations and accordingly no provision has been considered in respect of this matter in these results.
4. Pursuant to provisions of Section 230-233 of the Companies Act, 2013, the Board of Directors of the Company on May 17, 2024 had approved the scheme of amalgamation of Varroc Polymers Limited ('VPL') (a wholly owned subsidiary of the Company) with Varroc Engineering Limited ('VEL') with appointed date of April 01, 2024 ('the Scheme'). The National Company Law Tribunal ('NCLT') approved the above scheme vide its order dated January 10, 2025 and the merger became effective on February 01, 2025 on filing of the NCLT order with the Registrar of Companies. The merger has been accounted as business combination of entities under common control as per Appendix C to Ind AS 103 - Business Combinations. Accordingly, the comparative periods for the quarter and half year ended September 30, 2024 presented in the standalone results have been restated to include the effects of this merger.
5. Exceptional items for the periods presented in the consolidated results include:
a) On December 11, 2024, the Group received an order from ICC International Court of Arbitration ('ICC') in respect of the ongoing arbitration between Varroc Corp Holding B.V. ('VCHVB') jointly with Varroc Engineering Limited and Beste Motor Co. Ltd. ('TYC BV') jointly with TYC Brother Industrial Co. Ltd. ('TYC Group') and TYC Corporation ('TYC' or 'China JV'), wherein VCHVB has been directed to transfer its 50% shareholding in TYC to TYC BV. The order is for a consideration of RMB 30.30 million. Accordingly, the Group assessed that its investment in TYC (a joint venture) method) satisfies the criteria prescribed under Ind AS 105 'Non-Current Assets Held for Sale and Discontinued Operations' for classification as 'Assets held for sale' and had written down this investment to its fair value less costs to sell. The resulting impairment loss of Rs. 10.34 million and Rs. 806.82 million for the quarter and year ended March 31, 2025 respectively was disclosed as an Exceptional item in the financial results. The Group received above consideration on May 07, 2025 and transferred the investments in China JV. b) On April 21, 2025, the Group received final order from ICC in respect of the above arbitration wherein TYC Group was directed to pay to TYC Group amounting to Rs. 439.91 million. The Group recognised a provision for this loss for March 31, 2025 and the same was disclosed as an Exceptional item in the financial results for the quarter and year ended March 31, 2025.
c) Exceptional item also included estimated expenses directly attributable to merger of VPL with the Company amounting to Rs. 83.32 million for the quarter and year ended March 31, 2025 respectively.
d) KTM AG group, one of the customer of the Group, filed for insolvency and the Court admitted restructuring with self-administration in Austria. Considering these developments, the Group recognised a provision for expected credit loss of trade receivables of KTM AG amounting to Rs. 30.82 million in the quarter and year ended March 31, 2025.
e) On November 2, 2024, the Group received a GST Order from Additional Commissioner of GST and Central Excise for appropriation of GST dues amounting to Rs. 629 million along with equivalent penalty and applicable interest relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. The Group has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the GST Order with respect to the interest and penalty for the aforementioned period. The Group has initiated appellate proceedings against this GST Order, pending conclusion of which no adjustments have been made in respect of this matter in the financial results for the quarter and half year ended September 30, 2025.
