DEV Information Technology Secures Two Government Orders Worth ₹17.08 Cr from Vadodara Municipal Corporation & Gujarat Metro Rail Corporation

Ahmedabad – November 12th, 2026 – Dev Information Technology Limited (DEV IT), (NSE – DEVIT, BSE - 543462 | INE060X01034), a global IT services company offering Cloud Services, Digital Transformation, Enterprise Applications, and Managed IT Services, has secured two work orders from Vadodara Municipal Corporation (VMC) and Gujarat Metro Rail Corporation Limited (GMRCL), with a combined value of approximately ₹17.08 Cr.

Key Order Highlights

Vadodara Municipal Corporation | Approximately ₹15.50 Cr

- Work order to provide IT consulting services across multiple technology domains, including project management and staff augmentation.
- The engagement will support VMC's initiatives in application development, cybersecurity, database management, Geographic Information Systems (GIS) and emerging technologies.
- The Company will deploy qualified IT consulting professionals to support VMC's technology requirements over an approximately three-year engagement.

Gujarat Metro Rail Corporation Limited | Approximately ₹1.58 Cr

- Work order for the Autodesk Forma Model Management Bundle and Forma Build Cloud, including implementation guidance, training and support.
- The solution will strengthen GMRCL's digital construction and Building Information Modelling (BIM) capabilities through centralized model management, improved collaboration and more effective construction workflows.
- The fixed-cost order is expected to be executed over approximately six months.

Together, these orders reinforce DEV IT's presence in government and public-sector technology engagements, spanning specialized IT consulting, digital construction and infrastructure-focused technology solutions.

Commenting on the new orders, Mr. Pranav Pandya, Chairman, Dev Information Technology Limited, said: "These two work orders represent further progress in expanding DEV IT's engagement with government and public-sector organizations. The Vadodara Municipal Corporation assignment highlights our ability to provide skilled IT consulting teams across critical technology areas, while the Gujarat Metro Rail Corporation order adds to our work in digital construction and model management solutions.

We see growing opportunities to support public-sector organizations as they modernize technology systems and infrastructure project workflows. Our focus is on delivering these assignments effectively, strengthening long-term client relationships and building on our capabilities across digital transformation, cybersecurity and enterprise technology services."
