Material impact of COVID-19 pandemic on operations and performance of the Company

The impact of COVID-19 pandemic on India and globally has been felt by all. The effect on human lives has been unprecedented. At the same time, the global economy has also seen a dramatic reversal.

In view of the nationwide lockdown announced by the Government of India on 24th March, 2020 to control the spread of COVID-19, the Company's operations were temporarily disrupted at manufacturing facilities and sales depots across the country. This resulted in partial deferment of the Company's revenues for the month of March to the first quarter of FY 2020-2021. The Company has resumed operations in a phased manner from the beginning of April as per Government directives. Being into an essential commodity, there is no significant impact of COVID-19 pandemic on the current and future business operations of the Company, financial statements liquidity position, and cash flows, however, the company continues to closely monitor the rapidly changing situation.

Some of the key factors likely to affect the business are listed below:

Impact of the CoVID-19 pandemic on the business	Being our Company's products are covered under Essential Commodities, there is no major impact of Covid 19 on our business.
Ability to maintain operations including the factories/ units/ office spaces functioning and closed down	Our factories and Depot were closed for a very short period during the lockdown and thereafter opened with all safety, security and other measures/precautions as required by Government and Health advisories, for uninterrupted supply of essential commodities.
Schedule, if any, for restarting the operations	Being our Company's products are covered under Essential Commodities, we have restarted our all Factories and Depot in mid of April, 2020 with all safety measures.
Steps taken to ensure smooth functioning of operations	All safety, security and other measures/precautions are taken at Factories and Depot as required by Government and Health advisories. Now, the Company has opened its Corporate Office situated at Gurgaon,

DHANUKA AGRITECH LTD.

	Haryana and Registered Office situated at New Delhi, with less staff/roaster form and with the option to work from home. All safety, security and other measures/precautions are also taken their as required by Government and Health advisories.
Estimation of the future impact of CoVID-19 on its operations	Being our Company's products are covered under Essential Commodities, there is no major impact of Covid 19 on our business.
Details of impact of CoVID-19 on listed entity's – 1. Capital and financial resources: 2. profitability: 3. Liquidity 4. ability to service debt and other financing arrangements 5. assets 6. internal financial reporting and control; 7. Supply Chain 8. Demand for its products/services	 No Impact as such No Impact as such No Impact as such Very minimal debt and other financing arrangements and all obligations are paid on time. May be impacted if Real Estate price may come down Complying with all reporting to the concerned authorities like Stock Exchanges and MCA. Internal financial reporting and control are fully functioning, however, may get a delay in obtaining audited results of Wholly Owned Subsidiary situated in Bangladesh. No Impact as such Being the essential Commodity, No impact as such.
Existing contracts/agreements where non-fulfillment of the obligations by any party	No impact as such.

DHANUKA AGRITECH LTD.

will have significant impact on the listed entity's business	
Other relevant material updates about the listed entity's business	The temporary disruption at manufacturing facilities and sales depots across the country resulted in partial deferment of the Company's revenues for the month of March to the first quarter of FY 2020-2021.

The Company shall be constantly monitoring the situation and shall keep its shareholders informed as and when any material developments take place having significant impact.
