filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and

2. The current financial year has been a challenging year for our business. The year began
amidst a strict lockdown post the emergence of the Coronavirus (COVID-19) towards the
end of the last financial year. The economy gradually opened post June 2020 and the
second half of the year was progressing towards recovery. However, a much stronger
second wave of Covid-19 infections hit the country towards the end of year and has once
again resulted in significant disruption to our business as several state governments have
announced partial/complete restrictions. The Company has made detailed assessment
of the recoverability and carrying values of its assets comprising property, plant and
equipment, inventories, receivables, other current assets, deferred tax assets, etc. as at
the period end and on the basis of evaluation, has concluded that no material adjustments
are required in the financial results. Given the uncertainties associated with nature,
condition and duration of COVID-19, the impact assessment on the Company's financial
statements will be continuously made and provided for as required.

3. The above results have been reviewed by the Audit Committee and subsequently approved by
the Board of Directors at their respective meetings held on 24th June 2021.

4. The Figures for the quarter ended 31st March 2021 and 31st March 2020 are balancing
figures between the audited figure for the full financial year and published year to date
figures upto third quarter.

5. The Company has elected to apply the practical expedient of not assessing the rent
concessions as a lease modification, as per MCA notification dated 24th July 2020 on
IND-AS 116 for rent concessions which are granted due to COVID-19 pandemic. According
to the notification, total rent concessions confirmed during the year ended 31st March
2021 of ₹12.03 Lakhs has been reported under head other income.

6. On 24th September 2020 as a part of business reorganisation the company's board of
directors had approved transfer of its Tea Processing Unit to Teolajon Techno Agro Limited,
together with all tangible and intangible assets as specified in the business transfer
agreement (BTA) in relation to the Tea Processing Unit at Joyce, Dibrugarh Assam,
(referred to as Tea Business), as a going concern through slump sale. The Divestment
was approved by the shareholders of the company in their Annual General Meeting held
on 17th October 2020. The said deal got concluded on 31st March 2021 and the profit of
₹ 810.44 Lakhs from the sale of Tea Business is shown as Exceptional Items.

7. Previous period's figures have been reclassified/regrouped/restated, wherever necessary.
