About Dhanuka Agritech Limited

Dhanuka Agritech Limited is in the business of Agro-Chemicals, fertilizers and Seeds. The company reaches out to more than 10 million farmers with its eco-friendly high quality crop care products. The Agri-Division has a pan-India presence through its marketing offices in all major states in India. It has manufacturing units at Gurgaon, Sanand & Udhampur. It has one of the largest distribution network in India with over 7000 distributors/ dealers selling to over 70,000 retailers and ultimately benefitting 10 million farmers across India. "Dhanuka" is now the preferred choice of farmers.

Dhanuka Agritech has, in its 30 years of existence in the agro chemicals sector in India, laid special emphasis on eco-friendly formulations, low-dose active pesticides, integrated pest and weed management. Numerous measures taken by the company in the line of educating farmers regarding use of pesticides, directly and through its field force of 'Dhanuka Doctors'; rain water harvesting and adopting better agricultural practices, coupled with an aggressive growth strategy have contributed to the company's growth over the years.
