“Dhariwalcorp invests in 7.21 hectares of agricultural land towards development of Agro-Processing Clusters and Industrial Park”

Jodhpur, Rajasthan – March 26, 2026, Dhariwalcorp Limited (“the Company”) is pleased to announce that it has acquired agricultural land admeasuring **7.21 hectares**, situated at Khasra No. 789/333 and 271, Village Sarwadi, Tehsil Kalyanpur, District Balotra, Rajasthan – 344026.

The acquisition comprises of lands situated at **Khasra No. 789/333 (admeasuring 1.4083 hectares) (“Property No. 1”)** and **Khasra No. 271 (admeasuring 5.8032 hectares) (“Property No. 2”)** both of which were acquired on March 25, 2026.

The said land parcels are in close proximity to the Company’s existing land, where it is currently undertaking infrastructure development for Agro-Processing Clusters and Industrial Park. This investment is aligned with the Company’s stated objective of utilizing Rights Issue proceeds towards expansion of its infrastructure capabilities and strengthening its integrated project footprint.

This investment marks a significant step in the Company’s strategic growth roadmap and reflects its commitment to prudent and timely utilisation of capital raised from shareholders. The development of Agro-Processing Clusters is aimed at enhancing value addition in the agricultural supply chain, while also contributing to industrial development and employment generation in the region.

The land parcels are advantageously located near the Barmer–Balotra industrial belt, an emerging industrial corridor witnessing increasing investment activity and infrastructure development. The region benefits from improving road connectivity, proximity to key transport networks, and supportive state industrial policies aimed at promoting manufacturing and agro-based industries. The presence of established industrial units and access to a growing logistics ecosystem are expected to enhance the viability and long-term value of the proposed development.

The Company believes that these locational advantages will play a critical role in enabling efficient supply chain operations and attracting potential stakeholders to the Agro-Processing Clusters and Industrial Park. The Company remains committed to deploying its capital efficiently and creating sustainable value for all stakeholders.
