Air India asks US court to dismiss Cairn petition

PRESS TRUST OF INDIA
New Delhi, August 29

AIR INDIA HAS asked a New York court to dismiss a petition filed by Britain's Cairn Energy for seizure of its assets to enforce $1.2 billion arbitral awards against the Indian government, saying the litigation was premature as an appeal against the arbitration award was still pending.

The petition by the airline, which is separate to Indian government's plea in a Washington court seeking dismissal of Cairn's lawsuit to seek confirmation of the arbitral award, said the New York district court lacks jurisdiction to adjudicate a "merely hypothetical question" or one that depends upon contingent future events that may or may not occur.

Cairn first moved a court in the US District Court for the District of Columbia seeking confirmation of the arbitration award and then filed a petition in the New York court to seek declaration of Air India as "alter ego" of the Indian government and so it should be made liable to pay the $1.26 billion arbitral award.

An international arbitration tribunal in December last year set aside the levy of capital gains tax, using a 2012 retrospective legislation, on a 2006 reorganization of India business that Cairn carried before listing it on local stock exchanges. It ordered India to return the value of shares seized and sold, dividend confiscated and tax refund withheld to enforce levy.

With India refusing to pay, Cairn moved courts in the US.

"Cairn's petition to confirm the Award is pending in the District Court for the District of Columbia," Air India said in the August 23 petition seen by *PTI*.

It went on to state that the Indian government has filed before a court in The Hague — the seat of the international arbitration tribunal — a Motion to Stay and a Motion to Dismiss the arbitral award.

"In effect, the Complaint (by Cairn Energy) is a premature enforcement action dressed up as a declaratory judgment action, invoking this Court's federal jurisdiction to get a head start on executing the Award before the D.D.C. has had the opportunity to address the Republic of India's immunity defenses and its claims that the Award is not subject to enforcement under the New York Convention," Air India said.

It sought dismissal on three counts — first because the court lacks jurisdiction "to issue a declaratory judgment because the alleged controversy is not ripe", second "Air India is immune from suit because none of the exceptions to sovereign immunity under the Foreign Sovereign Immunities Act (FSIA) applies to a premature collection proceeding of a hypothetical judgment, and third "the Complaint, which presupposes an enforceable judgment that does not exist, fails to allege a cognizable cause of action."

Franklin Templeton MF unitholders to get ₹2,918 crore in sixth tranche

PRESS TRUST OF INDIA
New Delhi, August 29

SBI FUNDS MANAGEMENT (SBI MF) will distribute the sixth tranche of over ₹2,918 crore to unitholders of Franklin Templeton Mutual Fund's six shuttered schemes from September 1.

After the payout, the total disbursement will reach ₹23,999 crore, amounting to 95.18% of assets under management (AUM) as on April 23, 2020, when the fund house announced to shut the schemes, a Franklin Templeton MF spokesperson said on Sunday.

Under the first disbursement in February, investors received ₹9,122 crore, while ₹2,962 crore were paid to investors in April, ₹2,489 crore in May, ₹3,205 crore in June and ₹3,303 crore in July.

"SBI Funds Management (SBI MF) would be distributing the next tranche of ₹2,918.5 crore to unitholders across all six schemes," the spokesperson said. The payment to all investors whose accounts are KYC compliant with all details available will commence from September 1, 2021, he said.

The amount to be distributed to unitholders will be paid by extinguishing proportionate units at the net asset value dated August 27 this year, he added.

The payment will be made electronically to all eligible unitholders by SBI MF, which has been appointed as the liquidator for the schemes under winding up by the Supreme Court.

Nokia says telcos building pan-India 5G capacity to drive its biz growth

PRESS TRUST OF INDIA
New Delhi, August 29

TELECOM OPERATORS ARE developing pan-India 5G capacity which will continue to drive business for Nokia in the country, the head of the Finnish firm's India unit has said.

Nokia senior vice president & head of India Market, Sanjay Malik, told *PTI* that telecom companies are focusing on building capacity for 5G so that they are ready for launch once they get spectrum in the proposed auction, while their strategy on roll out of services circle or city-wise is still in works.

"We still see positive momentum in the market from both the capacity and the coverage build which is going to happen, the 5G readiness in terms of transport, the broadband. All these segments would still continue over the rest of the year and we see good potential and good momentum in all the areas," Malik said.

Nokia's sales in India grew 75% on year-on-year basis to 230 million euros in the second quarter ended June 30, 2021 from 179 million euros.

Malik said the spectrum auction conducted by the government in March was the key driver from India perspective which fuelled company's business in the country.

"Basically, it is the 4G capacity and coverage which started and because of the spectrum auction that got a boost but operators have started building their transport and their back haul for 5G readiness. Because of Covid, working from home environment, the fixed broadband also has been seeing a good growth in the market," Malik said.

He said the company also recorded growth in cloud and network services portfolio.
