

PRESS RELEASE

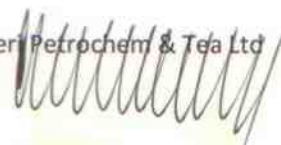

We are pleased to inform following to our stake holders:

1. Company's Haldia Plant which was shut down due to fire at its Raw Material Store has started production from 22-March-2011.
2. Production has started at the rate of 420 TPD and full capacity is expected to be achieved shortly.
3. Haldia Unit-2 project (Capacity 210,000 TPA) implementation is going on as per schedule and is expected to achieve mechanical completion by March-2012.
4. Tea production which was 1 crore Kg for the year 2010-11, is poised to grow to 1.65 crore kg after acquisition of 4 factories and increasing capacity of existing factories.
5. Implementation of IT SEZ project first phase of 365,000 sq ft is in full progress and is expected to be completed by June'2012. Second phase implementation is scheduled to start within 3 months from now.
6. Company's Egypt project to manufacture 420,000 TPA of PET Resin is delayed by couple of months due to local factors and construction is expected to start by end of June'2011.
