EXPLANATORY STATEMENT (Pursuant to Section 102(1) of the Companies Act, 2013)

In conformity with the provisions of Section 102 of the Companies Act, 2013 the following Explanatory Statement sets out all material facts relating to the business under Item No. 1, 2, 3 and 4 mentioned in the accompanying Notice.

Item Nos. 1, 2 and 3:

The Members to take note that, the equity compensation schemes are effective tools to reward the talents working with the Company or its subsidiary, as they help align employee interests with long-term shareholder value while creating an ownership culture that supports talent retention, motivation, and attraction for the Company's growing business.

At this juncture, the Company has transited to the next phase of leveraging market opportunities, business growth including addressing of business competitions which has resulted in consistent demand for talents for critical roles. Apart from this, emergence of new skillsets relevant for the Company's business has resulted in changed dynamics of the talent market. This has necessitated in bringing out a meaningful reward strategy for attraction of new talents and retention of both existing and new critical resources having leadership qualities or holding critical roles as required in the businesses.

In view of above, it is thought expedient to implement an employee stock option scheme wherein employee stock options ("**Options**") will be granted to the eligible employees, and the equity shares of face value of ₹ 10/- (Rupees Ten Only) each of the Company ("**Shares**") required for the implementation of the proposed scheme, shall be sourced from secondary acquisition. The proposed scheme will not only enable the Company to reward eligible employees but, by its very design, will also generate value for shareholders. Furthermore, there will be no additional equity dilution if the Shares required under the proposed scheme are acquired through secondary acquisition by the Trust.

Further, in case the scheme involves secondary acquisition, then as per Regulation 3 of the Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021 ("**SBEB Regulations**"), it shall be mandatory for the Company to implement such scheme through a trust. Accordingly, the Nomination and Remuneration Committee ("**Committee**") and the Board of Directors of the Company ("**Board**") have approved the draft of '**Diffusion Engineers Limited – Employee Stock Option Scheme 2025**' ("**ESOP 2025**" or "**Scheme**"), in their meetings held on May 14, 2025 and May 15, 2025 respectively subject to the approval of Members and also approved a trust deed of an irrevocable employee welfare trust namely '**Diffusion ESOP Trust**' ("**Trust**") to be set-up by the Company. Further, the ESOP 2025 shall be administered through the Trust and supervised by the Committee. The contemplated secondary acquisition shall be well within the ceiling prescribed under the SBEB Regulations.

In terms of Regulation 6 of the SBEB Regulations, the salient features of the ESOP 2025 are given as under:

a. Brief Description of the scheme:

Keeping the view of aforesaid objectives, the ESOP 2025 contemplates grant of Options to the eligible employees of the Company and/ or its subsidiary, exclusively working in India or outside India, as determined in terms of the ESOP 2025 and in due compliance of SBEB Regulations. After vesting of Options, the eligible employees earn a right (but not obligation) to exercise the vested Options within the exercise period and obtain equity shares of the Company subject to payment of exercise price and satisfaction of any tax obligation arising thereon. The eligible employees are expected to receive benefits based on their contribution to creating value for shareholders.

The Committee shall act as the Compensation Committee and shall supervise the Scheme. All questions of interpretation of the Scheme shall be determined by the Committee and such determination shall be final and binding upon all persons having an interest in the Scheme. Whereas the Trust shall administer the Scheme.

b. Total number of Options to be granted:

The total number of Options to be granted under the Scheme shall not exceed 7,00,000 (Seven lakh). Each Option when exercised would be converted into one equity share of face value of ₹ 10/- (Rupees Ten Only) each fully paid-up.

Further, SBEB Regulations require that in case of any corporate action(s) such as rights issue, bonus issue, merger, sale of division etc., a fair and reasonable adjustment needs to be made to the Options granted. In this regard, the Committee shall adjust the number and price of the Options granted in such a manner that the total value of the Options granted under the Scheme remain the same after any such corporate action. Accordingly, if any additional Options are granted by the Company, for making such fair and reasonable adjustment, the ceiling of aforesaid shall be deemed to be increased to the extent of such additional Options granted.

c. Identification of classes of employees entitled to participate in the scheme:

Subject to determination or selection by the Committee, following classes of employees are eligible being:

The Committee shall have the authority to determine the performance parameters applicable to an employee or a class of employees, based on their respective roles, and to assign relative weightages to each parameter as it deems appropriate. The specific vesting schedule and vesting conditions subject to which vesting would take place would be outlined in the grant letter given to the Option grantee at the time of grant of Options.
