1.	Name of the services for which order(s)/ contract(s)	To provide VFX and Virtual Production services for a prominent American OTT series
2.	Significant terms and conditions of order(s)/ contract(s) in brief	Given the scale and complexity of the series, this contract will require a robust collaboration between teams in North America and India. Digikore's Los Angeles and Montreal offices will work in close tandem with highly skilled team in Pune, India, ensuring that every aspect of the project meets the highest standards of quality and creativity. This is a direct contract which also helps mitigate challenges of longer receivables as compared to Indirect contracts. Such wins are early signs of our focused strategy for a) securing direct contracts b) offering hybrid model of delivery using all three of our offices (Los Angeles (USA), Montreal (Canada) and Pune (India). To facilitate this cross-continental collaboration, Digikore will leverage its sophisticated global pipeline and VFX workflow structure. This advanced system has been meticulously developed to support seamless communication and workflow integration across multiple time zones, enabling us to deliver world-class VFX work efficiently and effectively.
