Subject: Company Update – Digikore Studios Limited achieves full production capacity, reflecting the VFX industry's rapid recovery

Sir/Madam,

The VFX industry has made a strong comeback after the massive slowdown caused by the Hollywood strikes of 2023. With productions ramping up, VFX studios worldwide are witnessing a surge in demand for visual effects. Digikore Studios Limited, a global leader in VFX, has achieved full production capacity, reflecting the industry's rapid recovery.

Key updates:

Pipeline of Projects:

Several high budget film and episodic projects have entered the VFX stage. Over 200 mid to high budget film and episodic projects are set to enter the VFX stage in the next three to six months, fueling unprecedented demand across the industry.

Digikore Studios at Full Capacity:

Digikore Studios Limited has reached full production capacity, working on multiple high-profile projects to meet the industry's growing needs.

Aggressive Hiring to Meet Demand:

To keep up with the surge, Digikore hired 50 VFX artists in February and is set to onboard another 100 to 150 artists in March, ensuring seamless project execution.
