DIGIKORE STUDIOS

With the global VFX industry reviving strongly post-strike, Digikore Studios has completed a **15-day Mega Sales Drive** across **Los Angeles, London, Paris, Madrid, Glasgow and Edinburgh**. Led jointly by our India and US teams, we held **44+ face to face meetings** with Production Studios, VFX studios and VFX Supervisors. Our Founder & CEO, **Abhishek More**, also met senior leadership at **Warner Bros. (HBO), Disney, Netflix and Amazon**. Early results include **signed partnerships, immediate work starts, vendor onboarding, NDAs**, and multiple bids/tests—expected to **strengthen our Europe business and expand our global order pipeline**. **Amazon also appreciated our AI and Virtual Production capabilities and expressed interest in working with Digikore in these areas.**

- **Scale of outreach (15 days, 6 cities):**
Europe (34 meetings): **Edinburgh 7, Glasgow 8, London 9, Paris 2, Madrid 8; USA (Los Angeles): 10.** Campaign executed by a combined India–US team for high coverage and fast follow-ups.
- **Glasgow – partnerships signed:**
Two studio collaboration agreements signed; vendor enrolment underway with one, and we are **bidding on a feature film** with the other. A third studio showed strong future interest.
- **Edinburgh – project interest:**
Two studios expressed interest in engaging Digikore on upcoming projects, adding near-term opportunities to the pipeline.
- **London – immediate work + near-term commitments:**
One studio has engaged us for **immediate work**; **two others** have committed to collaborate in the near future.
- **Madrid – bids, tests and NDA:**
One studio initiated the **bidding process**; **three studios** are starting **test assignments**. A **major studio signed an NDA** and will share work for **two upcoming films**. An **existing partner** has assured **higher volumes** going forward.
- **Los Angeles – vendor onboarding + AI/VP interest:**
One mega VFX studio has started **vendor-onboarding paperwork** for Digikore. Senior executives at **HBO, Disney, Netflix and Amazon** appreciated our work. **Amazon also showed keen interest in collaborating with Digikore on our AI and Virtual Production offerings.**
- **Strategic impact:**
The drive is expected to **accelerate our business development funnel** in the US and Europe, diversify our client base, and **improve revenue visibility** over the next few quarters, including **new opportunities in AI and Virtual Production**, subject to bid conversions and production schedules.
