Dear Sir/ Madam,

Press Release- Acquisition of Granite Mines

Debock Industries Limited has kept their promise of starting a new revenue vertical in the most promising sector of mining. The company has recently started the process of acquiring a patch of approx. 40 acres of land situated near Kishangarh, the Marble and Granite hub of India. This Land will be available to Company for a lease of 99 years and as per information this land has a rich reserve of Granite. Here we want to make a note that Indian Granite is having a huge demand in the overseas market, India exports to more than 147 countries worldwide, yearly exported value of Granite is approx. \$747 m, this business will always be in demand for at least next 5 decades.

The Company has started the process of acquiring land and started the process of planning and listing the resources required for mining. The Company is already in place right from acquiring of land to get right set of machinery in place. As soon as the formalities of Land get over, team is all set for mining and exploring the local as well as overseas markets.

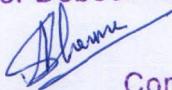

Kindly take the same on records and acknowledge the receipt of the same.

Thanking You.

Yours faithfully
