8 License fee dispute:

a. In relation to the ongoing dispute with respect to the validity, computation and payment of DTH License Fees between the Company and Ministry of Information and Broadcasting ("MIB"), a Writ petition filed by the Company is pending before the Hon'ble High Court of Jammu & Kashmir and Ladakh wherein inter alia the quantum/ applicability of License Fee and imposition of interest has been challenged by the Company. The Hon'ble High Court had allowed the interim prayer of the Company vide order dated 13 October 2015 which continues to be in force till the pendency of the Writ. Similar Writs filed by other DTH operators (including the writ petition filed by erstwhile Videocon d2h Limited, which was acquired by the Company in 2017-18) are also pending before the Hon'ble Supreme Court of India. The Company continues to be legally advised that the Company's stand has merits. Further, on 19 January 2023, the Company received a letter from office of the Director General of Audit (Central Expenditure) (in short 'CAG') regarding audit of License Fees paid/payable by the Company to the MIB, which was responded by the Company challenging the scope of audit. The Company thereafter had filed an application before the Hon'ble High Court of Jammu & Kashmir and Ladakh at Jammu against the conduct of CAG Audit and upon hearing the Parties, the Hon'ble High Court vide its order dated 02 March 2023 granted stay on the CAG Audit which is still continuing.

b. Despite the matter being sub-judice as stated in note 8 a) above, the Company received a communication dated 30 December 2025 from the MIB, wherein the Company was directed to pay Rs. 720,273 lacs towards the license fee since grant of respective DTH Licenses up to financial year 2024-25 (including interest till 31 December 2025). However, the MIB, in the said communication, has also mentioned that the amount was subject to reconciliation based on outcome of CAG audit and the outcome of various court cases pending before Hon'ble TDSAT, the Hon'ble High Court of Jammu & Kashmir and Ladakh and the Hon'ble Supreme Court of India. The Company responded to the said communications disputing the demand.

Using the principle of prudence in accounting standards, the Company has been carrying a provision of Rs 492,947 lacs (31 March 2026 Rs 486,558 lacs) as at 30 June 2026 in its books of account, which has been increased primarily towards interest as a time value of money charge.

9 As on 30 June 2026, the accumulated losses from the business exceeded its equity share capital (negative net worth) on account of the matter stated in note 8 above, declining subscriber base/business operations and any unfavourable outcome of the such matter may cast significant doubt on the ability to continue as a going concern assumptions. However, the Company continues to be legally advised that the Company's stand has merits. Further, management believes that it is appropriate to prepare the unaudited financial results on a going concern basis considering no debt in books, business outlook and cash generation capability.

10 The initial term of the Direct To Home ("DTH") License issued to the Company was provisionally extended from time to time by the Ministry of Information and Broadcasting, Government of India ("MIB") in the past. On 30 December 2020, MIB issued amended DTH guidelines for obtaining license for providing DTH Broadcasting Services in India. In accordance with the amended guidelines, the Company had applied for issue of license and the MIB has granted provisional license vide its letter dated 31 March 2021 on the terms and conditions as mentioned therein. Thereafter, MIB issued Operational Guidelines for Direct-To-Home (DTH) Broadcasting Services in India on 16 September 2022. MIB on 17 October 2023 issued a draft DTH License Agreement asking the DTH operators to provide their comments on the same. The Company has given its response to draft guidelines vide its communication dated 17 November 2023 suggesting its changes to the draft agreement. The guidelines have not been finalized by MIB as yet.

Dish TV India Limited
Notes to unaudited financial results for the quarter ended ended 30 June 2026

11 On account of the non-approval of proposals regarding appointment and re-appointment of certain Directors by the shareholders of the Company and resignation of Directors, the Board currently has four (4) members on the Board which is below the minimum required level of six (06) Directors as stipulated under SEBI Listing Regulations. The Board has taken necessary steps for induction of new members on the Board.

12 The Company and its subsidiary Dish Infra Services Private Limited (Dish Infra) received a Show Cause Notice (as a co-noticee(s)) issued by SEBI, in the matter of Zee Entertainment Enterprises Limited, for alleged violations of certain SEBI Regulations. After considering all details available, the Company and Dish Infra, believes that they are in compliance with the applicable laws. The Company and Dish Infra are taking necessary action in this matter and presently is in process of filing its reply to the SCN. However, to avoid protracted litigation, the Company and Dish Infra has also filed a settlement application under the provisions of SEBI (Settlement Proceedings) Regulations, 2018, which is under consideration. No material adverse impact on the Company or Dish Infra is expected with respect to the above and accordingly, no adjustments are required to these unaudited financial results.

13 During the quarter ended 30 June 2026, Dish Infra Services Private Limited (Dish Infra) reassessed its business model in respect of Consumer Premise Equipment (CPE). Previously, these CPE were installed at customer premises and retained as the Dish Infra's own capital assets ("rental scheme"), generating revenue through a usage-based arrangement. CPE which were not yet installed, accordingly carried as Capital Work-in-Progress (CWIP). Pursuant to a strategic reassessment of its business operations, the Dish Infra has transitioned to a sales-based model, whereby CPE will be sold outright to customers in the ordinary course of business along with the option of rental scheme.

As a consequence of this change, CPE previously classified as CWIP amounting to Rs.14,396 lacs as at 31 March 2026 no longer meet the definition of Property, Plant and Equipment under Ind AS 16, since they are no longer held for use in the production or supply of goods/services, or for administrative purposes, but are instead held for sale in the ordinary course of business. Accordingly, the said balance has been reclassified from CWIP to Inventory, in accordance with Ind AS 2 – Inventories.
