Subject: Request for Consideration of Single Disclosure under PIT Regulation 7(2)

Dear NSE Team,

We wish to bring to your attention that multiple disclosures containing the same information have been inadvertently submitted under Regulation 7(2) of the SEBI (Prohibition of Insider Trading) Regulations, 2015. This situation arose due to the non-receipt of the "uploading successful" confirmation message during the submission process.

For clarity, we inform you that the promoter has acquired 22,000 equity shares, necessitating disclosure under Regulation 7(2) of the SEBI (Prohibition of Insider Trading) Regulations, 2015. To streamline our compliance records, we kindly request that only a single disclosure be considered for processing, with the additional submissions disregarded.

We appreciate your understanding and cooperation in this matter.
