Reliance Jio Infocomm Limited gets Unified License for all 22 Service Areas across India

~ Becomes the first telecom operator to get pan India Unified License ~

Mumbai, 25th October 2013: Reliance Jio Infocomm Limited (RJIL), a subsidiary of Reliance Industries Limited, today announced that it has received Unified License for all 22 Service Areas across India and becomes the first telecom operator in the country to get pan India Unified License.The Unified License would allow RJIL to offer all telecom services including voice telephony under a single license.

Reliance Jio Infocomm Limited (RJIL) signed the Unified License Agreement with Government of India, Ministry of Communication & IT, Department of Telecommunication (Access Service Division) on 21st October 2013 after submission of desired documents and payment of requisite entry fee.

With grant of Unified License, RJIL has migrated its existing ISP license along with Broadband Wireless Access (BWA) spectrum to the Unified License with authorisation for all services except Global Mobile Personal Communication by Satellite Service (GMPCS) under Unified License in all service areas.

About Reliance Jio

Reliance Jio Infocomm Limited (RJIL), a subsidiary of Reliance Industries Limited (RIL), India's largest private sector company, is the only pan India operator with Broadband Wireless Access ('BWA') spectrum across 22 circles capable of offering fourth generation (4G) wireless services. With a portfolio of products to include high speed broadband connectivity, communications, entertainment, and cloud services, RJIL plans to deliver integrated digital services across the nation.
