1. Summary of the Primary business

We are a non-deposit taking, non-banking financial company classified as an Investment and Credit Company (NBFC-ICC), registered with the Reserve Bank of India (“RBI”) under Section 45-IA of the Reserve Bank of India Act, 1934, bearing registration no. N-14.03651 dated June 26, 2025

a) **Business Overview – Products and Services:** We are a non-deposit taking, non-banking financial company classified as an Investment and Credit Company (NBFC-ICC), registered with the Reserve Bank of India. Our primary business is providing secured retail loans, with a strategic focus on loans against the pledge of gold. We also continue to service our existing portfolio of home loans and loans against property. As on March 31, 2026, we operated 88 branches across Delhi, Rajasthan, Madhya Pradesh, Uttar Pradesh and Haryana, serving retail borrowers through a collateral-backed lending model.

b) **Description of industries served:** We primarily serve the retail financial services industry by providing secured lending solutions to individual borrowers. Our customer base includes self-employed individuals, small business owners, traders, salaried individuals and borrowers operating in the informal sector who require timely access to credit against pledged gold or immovable property.

c) **Key Geographies:** Our operations are concentrated in Northern and Central India. As on March 31, 2026, our branch network comprised: 31 branches in the National Capital Territory of Delhi, 33 branches in Rajasthan, 11 branches in Madhya Pradesh, 9 branches in Uttar Pradesh; and 4 branches in Haryana. We derive our business primarily from these states through our branch-led customer acquisition and servicing model.

d) **Our revenue from operations from our key customers:** Our revenue from operations is generated from interest income and related charges earned from our diversified retail borrower base. Given the nature of our business, we are not materially dependent on any single customer or a limited group of customers, and no individual customer contributes a material portion of our revenue from operations.

e) **Key Facilities:** Our key facilities comprise our registered and corporate office, branch network and supporting operational infrastructure required for our lending business. As on March 31, 2026, we operated 88 branches across Delhi, Rajasthan, Madhya Pradesh, Uttar Pradesh and Haryana, which undertake customer acquisition, loan origination, collateral appraisal, loan servicing and collection activities. Our branches are supported by centralized functions including credit, risk management, finance, treasury, compliance, information technology and customer support, enabling efficient business operations and regulatory compliance.

f) **Business strengths and strategies:**

Strengths: (1) Established Brand and Customer Franchise with Focused Geographic Presence. (2) Strong Asset Quality and Risk Management Framework. (3) Technology-Enabled Operations. (4) Experienced Management Team with a Demonstrated Track Record of Growth and Profitability.

Strategies: (1) Expanding our Geographical Reach (2) Further Growth of our Gold Loan Business. (3) Continue to Invest in Technology and Digitisation. (4) Continue to attract, train and retain talented employees. (5) Continue to diversify our borrowings profile to optimise our borrowing costs

For further details, please refer chapter titled “Our Business” on page 188 of DRHP.

2. Summary of Industry (Source: D&B Report)

Non-Banking Financial Institutions (NBFIs) play a significant role in global financial markets by complementing traditional banking systems and enhancing the overall availability of credit and investment capital. These institutions operate across a wide range of segments, including consumer and business lending, asset management, insurance, pension funds, and capital market intermediation, thereby catering to diverse borrower and investor requirements.

Their flexible operating models and ability to offer specialized financial solutions enable them to address segments that may remain underserved by traditional banking institutions. The importance of the NBFI sector has increased steadily over time, with non-bank entities playing an expanding role in financial intermediation and capital allocation across global markets. As of 2024, the NBFI sector accounted for a significant share of global financial assets, reflecting its growing systemic importance and contribution to economic activity.

7. Risk Factors

Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. Details of our top 10 risk factors are set forth below:

- 1) Our Gross Stage 3 Loans comprised 0.79%, 0.67% and 1.13% of our Total Gross Loans as at March 31, 2026, March 31, 2025 and March 31, 2024 respectively. Non-payment or default by our customers may adversely affect our business, results of operations, cash flows and financial condition.
- 2) Our provision coverage ratio was 27.62%, 31.83% and 31.30% as at March 31, 2026, March 31, 2025 and March 31, 2024, respectively. Our inability to provide adequate provisioning coverage for non-performing assets may adversely affect our business, results of operations, cash flows and financial condition.
- 3) Changes in our loan-mix may adversely affect our financial metrics and asset quality, which could adversely affect our business, financial condition, results of operations and cash flows.
- 4) Our portfolio has undergone a rapid and fundamental shift in composition, with gold loans increasing from 41.45% to 84.77% of Total Gross Loans between March 31, 2024 and March 31, 2026, representing a significant change in our business model and risk profile, the sustainability and risks of which are uncertain.
- 5) Home Loans and Loans against Property together amounted to 15.23%, 36.55% and 58.55% of our Total Gross Loans as on March 31, 2026, March 31, 2025 and March 31, 2024 respectively. In relation to our Home Loans and Loans Against Property, we have significant exposure to the real estate sector and any negative trends affecting this sector could adversely affect our business and result of operations.
- 6) Our fixed interest rate loans comprised 98.06 %, 96.22 % and 94.23 % of our Total Gross Loans and our fixed interest rate borrowings comprised 64.52 %, 16.17 % and 6.28 % of our Total Borrowings as at March 31, 2026, March 31, 2025 and March 31, 2024, respectively. Any adverse changes in interest rates could impact our Average Cost of Borrowings Ratio and adversely impact our Net Interest Margin Ratio, demand for loans and profitability and cause a decrease in our Net Interest Income, any of which could adversely affect our business, results of operations, cash flows and financial condition.
- 7) One of our Promoter has been involved in regulatory proceedings initiated by SEBI which has been settled. Any such regulatory proceedings, or any adverse action as a result of such regulatory proceedings, may affect our reputation and business.
