4) The auditors of the Company had invited attention in their auditors report for the year ended 31 March 2011 that the company has recognised a deferred tax asset on unabsorbed depreciation as claimed in the returns for the respective years. In the assessment orders passed for the assessment years 2004 -05 and 2006 -07 unabsorbed depreciation has been determined to be Rs NIL. In this respect the Company has preferred appeals in Hon'ble High Court of Andhra Pradesh against the subject orders. In the opinion of the management the manner of adjustment of unabsorbed depreciation and carry forward of business losses by the department is not appropriate and based on professional advice the management is confident of succeeding in appeals and get the unabsorbed depreciation/ carry forward of business losses restored. On a prudent basis the company has not recognised any deferred tax asset on such unabsorbed depreciation contested before the Hon'ble High court.

5) Corresponding year and quarter end figures have been regrouped / reclassified wherever necessary.
