Notes

1. N.A. = Not applicable since DCI is not a Manufacturing Company
2. Segmental Reporting as per AS-17 issued by the ICAI is not applicable since the company has only one segment income i.e., dredging.
3. As per the requirement of Schedule II to the Companies Act, 2013, where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately for depreciation purpose. Pursuant to this, the company changed its accounting policy during the QE 30/06/2015 broadly categorizing the component parts of dredgers into three items i.e., 1. Keel and Hull (60% of vessel's cost), 2. Plant and Machinery in salt and sea water environment (35% of vessel's cost), 3. Electrical / Electronic Equipment (5% of vessel's cost). However, this was only a broad categorization but could not be componentized. After careful examination, the company is of the view that none of the component part of the fixed asset is considered to be significant as compared to total cost of the asset. Consequently, the charging of depreciation for component parts was not required. Accordingly restored the last year's accounting policy for charging depreciation for FY 2015-16 in the last quarter ending 31/03/2016.
4. CESTAT, Kolkata dismissed the stay petition filed by the department in favor of the Company in respect of the refund of customs duty in respect of Dr Aquarius. In view of this, an amount of Rs 1110 lakhs is considered as an exceptional item in the profit and loss account and reduced the residual value by Rs 22.66 lakhs.
5. Pursuant to the Company claims vide its letter dated 06-06-2012 for the works executed in Sethusamudram project, the company is of the view that the actual expenditure incurred on this project will be reimbursed by GOI to DCI and the same is under active consideration by the Ministry. In view of this, provision for doubtful debts has not been made in respect of receivables in this regard.
6. As regards the equity investment made in Sethusamudram Corporation Ltd amounting Rs. 3000 lakhs the management does not consider any diminution for the value of investment and the same has been carried at cost during the current quarter. The Company's review petition filed before SEBI vide Lr No. DCI/CS/E.1/2015. SEBI vide its dated 05/11/2015 has decided that the instant qualification has been addressed by the Company in the subsequent financial years and ensured that it is free from such qualification and accordingly it will be treated as adequate compliance with the requirement of SEBI's directions in their dated 26/12/2014.
7. The audited accounts are subject to review by C&AG U/s 143(6) of The Companies Act, 2013.
8. The figures of the last quarter ending 31/03/2016 are the balancing figures in respect of figures for full financial year 2015-16 and the figures published up to third quarter of FY 2015-16.
9. The above financial results were reviewed by the Audit Committee at its meeting held 30-05-2016 and have taken record by the Board of Directors at its meeting held on 30-05-2016.

10. Pursuant to SEBI Circular No.CIR/CFD/CMD/56/2016 dated 27th May, 2016 it is stated that the Statutory Auditors of the Company have not given any modified/disclaimer/adverse opinion on the financial results of the Company for FY 2015-16.
11. Board Directors of the Company have declared dividend of 30% equivalent to Rs.3/- (Rupees three only) per equity share of Rs.10/- each for the financial year 2015-16 subject to approval of Members at the 40th Annual General Meeting and in compliance with the relevant provisions of the Companies Act, 2013 and Rules made thereunder.
12. Figures of the previous years have been regrouped / reclassified where ever necessary.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
DREDGING CORPORATION OF INDIA LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2016, and its profit and its cash flows for the year ended on that date.

Emphasis Of Matters:

We draw attention to the following matters in the Notes to the financial statements:

a) Componentization: (Refer note No. V of the financial statements)

As per note 4 of Schedule II to the Companies Act, 2013 - "Useful life specified in Part C of the Schedule is for whole of the asset. Where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately."

The above requirement is commonly known as 'component accounting'. Companies are required to identify and depreciate significant components with different useful lives separately.

However management is of the view that no component is having more than 10% value of total cost of the dredger hence component accounting is not applicable.

- b) We draw attention to the Note No VI of the financial statements, where in the Company has made investments in Equity shares amounting to Rs.3,000 lakhs in Sethusamudram Corporation Limited(SCL), a Special Purpose Vehicle was incorporated on 06.1.2004 for developing the Sethusamudram Channel Project. The dredging work at Palk Strait was suspended from 16-07-2009.

Since the Balance sheet as on 31st March 2015 of Sethusamudram Corporation Limited (SCL) is showing positive net worth, Management does not consider any diminution in the value of the investment.

- c) Trade Receivables includes, Rs.11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd.(SCL) which is pending for more than 3 years. Out of the above, Company has provided for doubtful debts to the extent of Rs.3019.27 lakhs. The company is of the view that an amount of Rs. 30897.00 lakhs will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to Rs. 8413.91 lakhs.
- d) The balances of sundry debtors, creditors, loans and advances, other receivable and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

TUKARAM & CO.CHARTERED ACCOUNTANTS
Report on Other Legal and Regulatory Requirements

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company") as of 31 March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

8

TUKARAM & CO.

CHARTERED ACCOUNTANTS

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
