Dynacons Honored as Systems Integration Partner of the Year by Versa Networks for Secure SD-WAN Transformation

Mumbai, India, November 24, 2025

We are happy to announce that Dynacons Systems & Solutions Limited has been awarded the **'System Integration Partner-Secure SD-WAN Transformation'** award by Versa Networks, a US-based, multinational company during their Versatility APAC 2025 summit. This award recognizes the outstanding performance of Dynacons for the Software-Defined Wide Area Network (SD-WAN) Deployment order at the Central Board of Indirect Taxes & Customs (CBIC), Government of India.

Versatility APAC 2025

Versa's awards recognize select partners from across the ecosystem for their outstanding performance, their commitment to customer success and satisfaction, and a focus on growth and excellence.

This recognition highlights Dynacons Systems & Solutions Limited's outstanding contributions to delivering secure, scalable, and high-performance SD-WAN transformation in partnership with Versa Networks. The award acknowledges the company's commitment to excellence in system integration, innovation in network transformation, and its role in accelerating digital agility for enterprises across industries.

Dynacons worked closely with Versa Networks to win one of the biggest orders from the Central Government Organization for supply, implementation, commissioning & maintenance of an SD-WAN solution for their Data Centre, Near Data Centre and 2790+ PAN India offices including Critical, Major, Minor & Custodian locations.

The SD-WAN solution provided by Dynacons will enable the organization to improve its network performance, security, and compliance. The solution leverages Versa's Secure Access Service Edge (SASE) architecture to provide a comprehensive network and security solution that enables the CIBIC services with increased agility and efficiency.

The SD-WAN solution includes:

- Data Center (DC) & Near Data Centre (NDR) site Central SD-WAN Hardware Appliance with high availability (HA)
- DC / NDC SD-WAN Central Software Solution with HA
- Locations SD-WAN hardware Appliance with built-in perpetual SD-WAN software License, Advance SD-WAN features & Advance Security features.
- Network Operations Centre / MPLS Command Centre

"Being honored with the System Integration Partner - Secure SD-WAN Transformation award by Versa Networks is a significant achievement for Dynacons," said Parag Dalal, Executive Director. "Our partnership with Versa has enabled us to deliver SD-WAN solutions that meet the complex needs of today's enterprises and financial institutions. This recognition reflects our continuous effort to align technological innovation with our clients' business needs and long-term success."

"Congratulations to Dynacons on being awarded the 'System Integration Partner for Secure SD-WAN Transformation recognition. Their forward-thinking approach to networking, combined with their specialized knowledge in secure SD-WAN and SASE, has enabled their clients to revolutionize their networks and security. We look forward to strengthening our partnership as we continue to help enterprises navigate their digital transformation journeys," said Mr. Abhishek Jain, APAC Head at Versa.

About Versa

Versa, the global leader in unified networking and security, enables organizations to create self-protecting networks that radically simplify and automate their network and security infrastructure. Powered by AI, the VersaONE Universal SASE Platform delivers converged SSE, SD-WAN, and SD-LAN solutions that protect data and defend against cyberthreats while delivering a superior digital experience. Thousands of customers globally, with hundreds of thousands of sites and millions of users, trust Versa with their mission-critical networks and security. Versa is privately held and funded by investors such as Sequoia Capital, Mayfield, and BlackRock.
