MEDIA RELEASE

Ducol Organics & Colours Limited Announces Completion of M2 Building at Mahad

Upcoming Expansion in Wet Dispersion

Mumbai, 2nd September 2025: Ducol Organics & Colours Limited (NSE: DUCOL), a leading player in the development, manufacturing, and distribution of dispersions and master batches for industries such as paints, inks, textiles, rubber, plastics, paper, and FMCG, has announced the **completion of its M2 building as per target timeline**. The company has also received the **Building Completion Certificate (BCC)** for the facility, marking a significant milestone in its expansion journey.

The M2 facility has been **earmarked for Wet Dispersion production**, a high-value segment that finds applications across paints, coatings, plastics, inks, and construction chemicals. With this expansion, Ducol will further strengthen its integrated offerings and enhance its ability to serve both domestic and international markets.

The company has outlined that **commercial production from the M2 facility is expected to commence in H2 FY27**. This move aligns with Ducol's long-term growth strategy of diversifying its portfolio, strengthening backward integration, and building capacities in high-demand product categories.

Commenting on the appointment, **Mr. Aamer Ahmed Farid, Managing Director, Ducol Organics & Colours Ltd.**, said:

"The timely completion of our M2 building and receipt of the BCC is a testament to our strong execution capabilities. This new facility, dedicated to Wet Dispersion, will allow us to create capacities in line with the evolving needs of our customers. Ducol will be well-positioned to capture emerging opportunities in coatings, construction chemicals, and allied industries. Our focus remains on innovation, sustainability, and delivering superior value to our stakeholders."

Ducol continues to invest in expanding its product portfolio and manufacturing capabilities to maintain leadership in colour solutions. The M2 building expansion reaffirms the company's commitment to sustainable growth, operational excellence, and customer-centric innovation.

About Ducol Organics & Colours Limited

Ducol Organics & Colours Limited is one of India's fastest-growing companies in the dispersions and masterbatches sector. With a robust manufacturing base, state-of-the-art R&D facilities, and a pan-India customer network, Ducol is committed to delivering innovative and high-performance solutions across multiple industries. The recent acquisition of Bitumag Industries marks a significant milestone in Ducol's strategy to expand into the waterproofing and construction chemicals vertical, further broadening its product offerings and market reach.
