About Datamatics

Datamatics was established in 1975 as one of India's leading Software companies, encompassing IT Services and also BPO, with offices in US, Europe, Australia and India. It provides a composite range of services to over 450 customers worldwide. It is the only Indian company to have won the Asia Pacific Quality Award in Services category over 38 other competing countries. This year Datamatics received the 'Most Valuable IT Software Company in India' Award at the 4th Annual India Leadership Conclave & Indian Affairs Business Leadership Awards, 2013. The Company is listed on BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE). For more information, visit us at www.datamatics.com
