Sub: Compliance under Regulation 33 (3)(e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations,2015 . – Audited Financial Results – 31st March 2018.

Dear Sir/Madam,

Please refer to your mail dated 29.05.2018. In regard to regulations 33 (3) (e), we have furnished this information:

1. Due to connectivity problem in getting your NSE Portal we were unable to file the information within 30 minutes from end of Board Meeting. First we filed in BSE listing portal and it took minimum 20 minutes to upload the data. After completing listing portal in BSE, we started filing the data in NSE portal. Due to connectivity issues, we could not proceed quickly enough. Our Board Meeting ended at 23.50 hrs on 28th May 2018 and immediately we filed the results in your NEAPS website and received the acknowledgment.

2. We have filed only standalone financial statements. Reconciliation of profit and loss account and equity is applicable only for the 1st year of adoption of Ind AS. This Company has adopted Ind AS from 1st April 2016 itself and the reconciliation statement has already been forwarded while submitting the financial results for the year ended 31st March 2017 during May 2017. We felt that there is no necessity to provide this reconciliation statement while forwarding the financial results for the subsequent year i.e 2017-18. Kindly confirm. It was by mistake we had furnished remarks at the bottom of the segment wise statement that reconciliation statement is provided. This is a mistake and is regretted. We always submit only standalone financial statements and we never submit consolidated financial statements.

In future we will ensure that the Financial Statements are uploaded within the stipulated time. We confirm that we have complied with the regulations mentioned by you.

Sorry for inconvenience caused in this regard.

Thanking you,

Yours faithfully,
for Dharani Sugars and Chemicals Limited
