Dear Sirs,

This has reference to the news item titled "Cipla faces fresh Rs. 105-cr penalty for overcharging" appearing in today's edition of a business daily.

Company has received demand notice of Rs. 81 crores in respect of Ciplox eye drops. We wish to clarify that Company has been complying with the Government prices and therefore the demand notice is erroneous. We wish to further clarify that no fresh demand notice has been received for Cipro injections.

Company has also received a demand notice of Rs. 32 crores for the product Alerid D. This demand was raised by the Government despite the fact that this product was not manufactured at all by the Company during the period in question.

Company has challenged various price notifications including that of Ciplox eye drops and Alerid D tablets and the Hon'ble Supreme Court of India has already issued an interim order that no coercive steps can be taken against the Company to recover the money. The Company has also received legal advice that entire amounts demanded by the Government are not tenable and sustainable.

Thank you,

Yours faithfully,
For Cipla Limited

Mital Sanghvi
Company Secretary
