Sub: Renovation of 50 MW Turbine Generator (TG) at Paloncha- Restarting by 25th October, 2015 following the shutdown from 24th August, 2015.

Ref : Our Letter No: NBV/SECTL/513/2015-16, dated 21st August, 2015.

*****

The 50 MW Turbine at Paloncha was taken up for renovation and overhaul with effect from 24th August, 2015 as scheduled. Initially, it was expected to complete the renovation and restart the operations by 15th October, 2015. The renovation works are being continued and are now expected to be completed by 24th October, 2015 due to increased volume of technical work. The 50 MW Power Plant, after renovation and overhaul, therefore is now expected to restart its operations by 25th October, 2015 with improved turbine heat rate and efficiency of the Unit.

This is for your kind information and records.

A.Venkata Rao
Executive Vice President
