**Launch
Of
Positive Pressure Integrated Clean Room Facility
For
Food & Pharmaceutical Grade FIBC Packaging**

We are pleased to inform that Emmbi Industries limited has started a construction of “Positive Pressure Clean Room facility for manufacturing of Food and Pharmaceutical Grade FIBC Packaging Material”

The Project will take 10 to 12 months to complete and start the production.

Total cost of the project will be Rs.10 Cr. (Estimated) Project will be funded by internal generation and debt from the banks. We are constructing the building on the land which was already available with company.

This will help company to produce the Food & Pharma Grade products for the Export Market. This will increase the value addition of the products, Especially in USA as the New USFDA guidelines recommends the use of food grade material for packaging for the entire value-chain of Food and Pharma.
