2 The Auditors' report on previous financial statements contains reservation as under:--

a) Considering the nature of projects being executed by the Company and its main customers, the consequential claims and counter claims towards liquidated damages, change order, etc. as per general practice prevalent in the industry, the balances outstanding as trade receivables (which also include interest charged as per contract terms), billable costs, advances to/balances payables towards contractors and vendors of the company are not confirmed and against some of them the Comapny has also initiated legal actions.However, the management is confident that such receivables/ payables are stated at their realisable/ payable value and adequate provisions are made in the accounts wherever required.

b) During the year 2009-2010, the Company has taken extra time to complete an EPC contract beyond the scheduled contract completion date as the Company had to execute significant additional work and also on account of delays not attributable to the Company. The potential liability for liquidated damages resulting from the extended completion date amounts to Rs. 12,07.04 lacs (March 31, 2015 - Rs. 11,08.55 lacs). As the Company believes that the liquidated damages will be waived for the reasons stated above, no provision for the same has been made in the books till date.

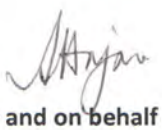

c) During the year 2010-2011, the Company has incurred additional expenditure on executing additional work in terms of an EPC contract. The Company has quantified and submitted some of its claims for extra work done and the matter has been referred to the Outside Expert Committee (OEC) for resolution. However, as a matter of abundant caution, only a portion of these extra claims amounting to Rs. 18,98.24 lacs (March 31, 2015 - Rs. 18,98.24 lacs) has been recognised as revenue. The balance of the additional claims will be recognised as revenue as and when they are accepted by the customer.

d) The Company has incurred additional expenditure on executing additional work in terms of another EPC contract. Here also, the Company has quantified the value of extra work done at Rs. 1,02,00.76 lacs (March 31, 2015 - Rs. 1,02,00.76 lacs) and has commenced discussions with the customer for finalising it. Out of this, invoices for Rs. 23,24.07 lacs (March 31, 2015 - Rs. 23,24.07 lacs) have been raised on the customer and the balance amount of Rs. 78,76.69 lacs (March 31, 2015 - Rs. 78,76.69 lacs) accrued on this account is included under other current assets. The recognition of such revenue is subject to acceptance by the customer.

3 As the Company has only one business segment, namely Offshore Services, the segment reporting requirement is not applicable.

4 Prior period figures have been reclassified as necessary for comparative purpose only.

5 The above results have been reviewed by the Audit Committee and have been adopted by the Board at its meeting held on November 06, 2015.

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of Dolphin Offshore Enterprises (India) Limited ('the Company') for the quarter ended September 30, 2015 ("the Statement") except for the disclosures in Part II with respect to 'Particulars of Shareholding' and 'Investor Complaints' which have been traced from the details furnished by the Management. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards as specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies have not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
