Subject: Clarification for Financial results - E2E

This is with reference to your communication dated April 23, 2026, wherein a discrepancy has been observed in the XBRL filing submitted by E2E Networks Limited to the Exchange pursuant to the Board Meeting outcome dated April 20, 2026, specifically that Half Yearly figures were submitted in XBRL.

1. At the time of filing the XBRL on the NEAPS portal, we observed that the first drop-down field (Reporting Type) offers only two options, namely 'Quarterly' and 'Half Yearly'. There is no direct option available for 'Annual' or 'Yearly' under this field.

2. Since the results were of an Annual nature and being uncertain as to the correct selection in the absence of an 'Annual' option, we inadvertently selected 'Half Yearly' in the first drop-down field (Reporting Type). In the second drop-down field (Reporting Quarter), we selected 'Annually', presuming this combination to be the correct approach for filing Annual results.

3. As a consequence of the above selection, the XBRL filing resulted in submission of both Half Yearly as well as Annual figures, which is the discrepancy observed and flagged by the Exchange.

4. We sincerely regret the inadvertent error and clarify that the same arose purely on account of uncertainty in navigating the available portal options for Annual results, and was in no manner intended to misrepresent the financial results of the Company.

Upon receipt of your guidance vide the above-referenced communication, we have submitted the revised XBRL with the correct selection and figures. We request you to kindly take the above clarification and the revised filing on record and treat the matter as resolved.

We assure the Exchange of our continued commitment to timely and accurate compliance.

Thanking you,

For E2E Networks Limited
