Enhances presence in the niche luxury segment

Expanding fleet of luxury cars, providing Premium Mobility Services across Major Cities in India

Delhi, October 11th 2024: ECOS (India) Mobility & Hospitality Limited (“ECOS” or “Company”), one of the largest chauffeur driven mobility providers to corporates in India, is proud to announce the expansion of its fleet with the addition of latest luxury cars. This aims to provide discerning customers with an elevated experience, combining seamless travel with the comfort and prestige of high-end vehicles.

With this strategic addition, ECOS has expanded its fleet of luxury cars in key metropolitan cities, including Delhi, Mumbai, Bengaluru, offering customers access to top-tier mobility services. The new fleet comprises of top models from brand such as Mercedes-Benz, ensuring that each ride exudes sophistication, comfort, and style.

The Company further plans to expand its luxury fleet across more locations, enabling it to cater to corporate executives, VIP clients with utmost attention to safety, hygiene, and comfort, with well-trained chauffeurs and round-the-clock support.

Commenting on this business development of the Company, Mr. Rajesh Loomba, Chairman and Managing Director, ECOS said, *“We are excited to build on our existing luxury fleet by adding more premium vehicles, expanding our reach across key cities in India. This move is a testament to our commitment to providing exceptional, high-end mobility services. By increasing the size of our fleet, we are better positioned to meet the growing demand for luxury travel, ensuring our clients enjoy world-class comfort and services.*

As part of this growth, ECOS remains dedicated to enhancing its premium services, strengthening our reputation for reliability and luxury. Whether for corporate travel, special events, or personal journeys, the expanded fleet will deliver an unmatched mobility experience.”

About ECOS (India) Mobility & Hospitality Limited:

Started in 1996, ECO (India) Mobility & Hospitality Limited is the largest chauffeur driven mobility provider, to corporates in India. The Company is primarily engaged in the business of providing chauffeured car rentals (“CCR”) and employee transportation services (“ETS”) and have been providing these services to corporate customers, including Fortune 500 companies in India, individuals, Travel and Tourism companies, Hotels and government bodies for more than 25 years. The Company has a pan-India presence in 109 cities through own vehicles and vendors. ECOS also addresses the global car rental requirements of its corporate customers, through its global network of vendors with the capability of providing services in over 30 countries. The Company operates a fleet of more than 12,000, economy to luxury cars, mini vans and luxury coaches. The company also provides specialty vehicles such as luggage vans, vintage cars and vehicles for accessible transportation for people with disabilities.
