Dear Sir/ Madam

The unprecedented rainfall in Chennai has severely affected the city including our employees, our manufacturing facilities and offices. The floods caused by the rain have also impacted logistics and our supply-chain, resulting in disruption of our production. As a consequence, we have shut down our offices in the city and our plants in Thiruvottiyur and Oragadam since December 1st.

Due to the rains, in November we lost production of 4000 motorcycles. We are working to ensure that all our employees are safe. We are monitoring the situation closely and hoping for normalcy to return soon.

Thanking you,
For Eicher Motors Limited
