In accordance with the directives of the Government, and the complete lockdown in the country owing to COVID-19 pandemic, VE Commercial Vehicles Ltd. suspended operations and production across its factories in India, all company offices and dealerships in the country starting March 23, 2020.

For the month of April, VECV's manufacturing facilities across the country, and the entire supply chain including the company's dealerships across India, remained affected in compliance with the Government directives.
