Subsequent to the Government's directives with regards to resumption of business activities, Royal Enfield resumed operations at its manufacturing facilities starting May 6, 2020. Production activities were started in a gradual and partial manner at the Oragadam facility. The company started the second shift at Oragadam towards the end of the month.

The dealerships also opened in a gradual manner. By the end of the month, nearly two-third of the dealerships are open for business. These dealerships attained nearly the pre-COVID level of bookings towards the end of the month.
