Notes:

- 1 The above unaudited standalone financial results for the quarter and six months ended 30 September 2020 were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their respective meetings held on 06 November 2020. The statutory auditors have expressed an unmodified opinion on these standalone financial results. The review report has been filed with the stock exchange and is available on the Company's website.
- 2 As per Ind AS 108 - 'Operating Segments', the Company has reported segment information under two segments i.e. 1) Material Handling Equipment and 2) Transmission Equipment.
- 3 a) On 20 September 2019, vide the Taxation Laws (Amendment) Ordinance 2019 ('the Ordinance'), the Government of India inserted Section 115BAA in the Income Tax Act, 1961 which provides domestic companies a non-reversible option to pay corporate tax at reduced rates effective 1 April 2019, subject to certain conditions. Tax expenses reflect the impact of expected adoption of this option by the Company based on Management's internal evaluation.

b) At the time of transition to Indian Accounting Standards (Ind AS) with effect from 1 April 2015, the Company had recognised the fair value of its land parcels in the books of account and had also recognised corresponding deferred tax liability considering the future tax obligation that would arise upon sale of land in the expected manner in future (sale of land parcels on a piecemeal basis, delinked from the business).

During the year ended 31 March 2020, the Company had reassessed the expected manner of recovery of the carrying value of all land parcels and determined that a number of such land parcels would not be delinked from the business as they either form an integral part of the business operations or are proximate to the factory premises. Consequently, the Company expects that in the event of disposal of most of the land parcels in future, these would only be disposed off along with the business and in a slump sale arrangement thereby resulting in no temporary difference between the accounting position and position as per tax laws upon such future disposal.

Based on the above, deferred tax liability recognised on such land parcels at the time of transition to Ind AS, has been reversed in the Statement of Profit and Loss during the year ended 31 March 2020.
- 4 Subsequent to outbreak of COVID-19 pandemic and consequent lock down across the country, the Company's operations have resumed post temporary suspension, as per the guidelines and norms prescribed by the Government authorities. The Company continues to monitor the impact of COVID-19 on its business including customers, supply-chain, employees/workers and logistics. The management has taken specific steps by way of negotiating better payment terms for new orders and cost rationalization initiatives to manage the cash flows and liquidity position. The Company has considered internal and external information while evaluating various estimates in relation to its financial results up to the date of its approval by the Board of Directors and has not identified any material impact on the carrying value of assets, liabilities or provisions.

Further impact of the COVID-19 pandemic, if any, may be different from estimated as at the date of approval of these financial results and the Company believes that no precise estimation can be made about the actual impact of the pandemic on the overall economy, specific industry sectors and the Company itself at this stage but is closely monitoring the emerging situation.
- 5 The Indian Parliament has approved the Code on Social Security, 2020 ('Code') which may likely to impact the contributions made by the Company towards Provident Fund and Gratuity. The effective date from which the Code is applicable and the rules to be framed under the Code are yet to be notified. In view of this, impact if any, of the change will be assessed and accounted in the period in which the Code and the rules thereunder are notified.
- 6 Previous period figures have been regrouped / reclassified wherever necessary.

To Board of Directors of Elecon Engineering Company Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Elecon Engineering Company Limited ('the Company') for the quarter ended 30 September 2020 and year-to-date results for the period 1 April 2020 to 30 September 2020 ('the Statement') being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and 52 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- 1 The above unaudited consolidated financial results for the quarter and six months ended 30 September 2020 were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their respective meetings held on 06 November 2020. The statutory auditors have expressed an unmodified opinion on these consolidated financial results. The review report has been filed with the stock exchange and is available on the Holding Company's website.
- 2 As per Ind AS 108 - 'Operating Segments', the Group has reported segment information under two segments i.e. 1) Material Handling Equipment and 2) Transmission Equipment.
- 3 a) On 20 September 2019, vide the Taxation Laws (Amendment) Ordinance 2019 ('the Ordinance'), the Government of India inserted Section 115BAA in the Income Tax Act, 1961 which provides domestic companies a non-reversible option to pay corporate tax at reduced rates effective 1 April 2019, subject to certain conditions. Tax expenses reflect the impact of expected adoption of this option by the Holding Company basis Management's internal evaluation.

b) At the time of transition to Indian Accounting Standards (Ind AS) with effect from 1 April 2015, the Holding Company had recognised the fair value of its land parcels in the books of account and had also recognised corresponding deferred tax liability considering the future tax obligation that would arise upon sale of land in the expected manner in future (sale of land parcels on a piecemeal basis, delinked from the business).

During the year ended 31 March 2020, the Holding Company had reassessed the expected manner of recovery of the carrying value of all land parcels and determined that a number of such land parcels would not be delinked from the business as they either form an integral part of the business operations or are proximate to the factory premises. Consequently, the Holding Company expects that in the event of disposal of most of the land parcels in future, these would only be disposed off along with the business and in a slump sale arrangement thereby resulting in no temporary difference between the accounting position and position as per tax laws upon such future disposal.

Basis the above, deferred tax liability recognised on such land parcels at the time of transition to Ind AS, has been reversed in the Statement of Profit and Loss during the year ended 31 March 2020.
- 4 Subsequent to outbreak of COVID-19 pandemic and consequent lock down across the country, the Holding Company's operations have resumed post temporary suspension, as per the guidelines and norms prescribed by the Government authorities. However, the subsidiaries in United Kingdom and USA, which cater to the needs of essential services sector, continued to operate but at reduced levels adhering to guidelines issued by respective local authorities. Subsidiaries operating in other jurisdictions continued to operate as per the guidelines issued by respective local authorities.

The Group continues to monitor the impact of COVID-19 on its business including customers, supply-chain, employees/workers and logistics. The management has taken specific steps by way of negotiating better payment terms for new orders and cost rationalization initiatives to manage the cash flows and liquidity position. The Group has considered internal and external information while evaluating various estimates in relation to its financial results up to the date of its approval by the Board of Directors and has not identified any material impact on the carrying value of assets, liabilities or provisions.

Further impact of the COVID-19 pandemic, if any, may be different from estimated as at the date of approval of these financial results and the Group believes that no precise estimation can be made about the actual impact of the pandemic on the overall economy, specific industry sectors and the Group itself at this stage but is closely monitoring the emerging situation.
- 5 The Indian Parliament has approved the Code on Social Security, 2020 ('Code') which may likely to impact the contributions made by the Holding Company towards Provident Fund and Gratuity. The effective date from which the Code is applicable and the rules to be framed under the Code are yet to be notified. In view of this, impact if any, of the change will be assessed and accounted in the period in which the Code and the rules thereunder are notified.
- 6 Previous period figures have been regrouped / reclassified wherever necessary.
