Dear Sir / Madam,

This is inform you that Greenlab Organics Ltd, (Greenlab) the inoperative step down subsidiary company based at UK has been dissolved under operation of laws.

Greenlab was incorporation on 5th August 2013 as wholly owned subsidiary of Fravin Pty Ltd (Australia) and with an initial capital of one GBP.

Since incorporation , Greenlab has not undertaken any business activities and there was no contribution in overall Revenue of the Company.

Dissolution of Green lab will have no impact in the operations and financials of the Company.

This for your information

Thanking you,

Yours faithfully,

For Emami Limited

A K Joshi
Company Secretary & VP-Legal
