2. The Group had received a settlement offer during the quarter ended June 30, 2025 from Besto Motor Co. Ltd. and TVC Brother International Co. Ltd. ("TVC Parties") alleging breach of Transition Management Agreement ("TMA" or agreement) in respect of certain income amounting to Rs. 209.89 million recognized during the quarter ended June 30, 2025 and Rs. 213.82 million recognized during the year ended March 31, 2025 by the Group under "Revenue from operations", as received from Changing Vans, TVC and Auto Lamp Co. Ltd. (joint venture) subsequently.

3. On July 7, 2025, the Group received an intimation from ICC (International Centre for Arbitration) with respect to a Request for Arbitration initiated by Oromility Lighting Holdco, France (ETEC Party) against the Group in respect of certain alleged breaches of covenants under the Securities Purchase Agreement executed between the parties on April 29, 2022, and subsequently amended on October 5, 2022, May 12, 2023, and June 13, 2023. Claims in respect of some of the breaches have been quantified at US\$ 64.4 million plus legal costs while for others no quantification has been provided. The Group is evaluating the matter and exploring legal and contractual remedies. It intends to contest the claims and take appropriate steps to protect its interests.

4. The Group had received following GST orders in relation to inappropriate classification of certain goods supplied during the period from July 1, 2021 to September 30, 2023: Order dated November 9, 2023 from Additional Commissioner of GST & Central Excise for appropriation of GST being amounting to Rs. 629 million along with equal penalty and applicable interest; Order dated January 03, 2025 from Commercial Tax Officer (Divisional GST office, Karnataka) consisting of demand for Rs. 10.03 million along with interest of Rs. 302.67 million and penalty of Rs. 564.19 million.

5. The Group had paid the principal demand and had filed appeals against the above orders which have been partly allowed resulting in reduction of total demand to Rs. 284 million. The Group intends to pursue further appellate remedies in respect of the interest and penalty components. Based on legal advice and assessment of the merits of the cases, management believes that it has adequate grounds to successfully defend the matters. Pending conclusion of the proceedings, no adjustments have been made in the financial results for the quarter and year ended March 31, 2026.

6. Exceptional items for the periods presented in the consolidated financial results include the following: (a) On November 11, 2025, the Government of India notified the new Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 consolidating existing labour laws. The Group has assessed and disclosed the changes on the basis of the best information available and guidance provided by the Member Firms of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Group has presented such incremental impact under "Exceptional Items" in the financial results for the quarter ended December 31, 2025 and year ended March 31, 2026. The incremental impact on provisions for employee benefits expenses of Rs. 225.49 million of the two towards gratuity and compensated absences primarily arises due to change in wage definition. The Group continues to monitor the finalization of Central/State Rules and notifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect as and when such clarifications are issued/are notified.

7. The Group announced a Voluntary Separation Scheme ("VSS") for all eligible permanent employees at specific plants of the Group. In this regard, the Group accepted separation of 411 employees and the separation cost of Rs. 793.49 million (Gross of tax) associated with the VSS was incurred during the quarter ended December 31, 2025 and year ended March 31, 2026. Estimated expenses directly attributable to the merger of Varco Polymers Limited ("VPL") with the Varco Engineering Limited ("VEL"), the Holding Company, amounting to Rs. 83.32 million for quarter and year ended March 31, 2025, respectively. Further, exceptional item also includes value of excess accrual of allowances expenses of Rs. 10.00 million for the quarter ended December 31, 2025 and year ended March 31, 2025.

8. Net loss of Rs. 33.88 million for the quarter ended March 31, 2026 and year ended March 31, 2025 pertains to revaluation of a step-down subsidiary Varco Lighting Solutions, Bulgaria, EOOD. On December 11, 2024, the Group received an order from ICC International Centre of Arbitration ("ICC") in respect of the ongoing arbitration between Varco Holding BV ("VCHBV") jointly with Varco Engineering Limited and Besto Motor Co. Ltd. ("TVC Parties") jointly with Changing Vans, TVC and Auto Lamp Co. Ltd. ("TVC Group") and Varco ("ICC Group") and Varco ("ICC Group"), where the TVC Party was directed to transfer its 10% shareholding in VPL to the ICC Group. The ICC award was issued on March 13, 2025. Accordingly, the Group associated that its investment in VPL (a joint venture accounted for under the equity method) satisfies the criteria prescribed under Ind AS 109 - "Non-Current Assets Held for Sale and Discontinued Operations" for classification as "Assets held for sale" and had written down this investment to Rs. 3,395.15 million which was its fair value less cost to sell. The resulting estimated impairment loss of Rs. 10.34 million for the quarter and year ended March 31, 2025, respectively, was disclosed as an Exceptional Item in the financial results.

9. The Group received above consideration on May 07, 2025 and transferred its investments in China JV. On account of such disposal, the cumulative exchange gains pertaining to China JV of Rs. 61.94 million, which had been recognised in Other Comprehensive Income and accumulated in foreign currency translation reserve during the previous periods, have been reclassified to the Statement of Profit or Loss. This has been disclosed as an exceptional item and reduced from Other Comprehensive Income for the year ended March 31, 2026.

10. On April 23, 2025, the Group received final order from ICC in respect of the above arbitration wherein the Group was directed to pay to TVC Group the legal costs pertaining to the arbitration incurred by TVC Group amounting to Rs. 493.93 million. The Group recognised a provision for this cost as at March 31, 2025 and the same was disclosed as an Exceptional Item in the financial results for the quarter and year ended March 31, 2025.

11. KTM AG group, one of the customers of the Group, filed for insolvency and the Court admitted restructuring with self-administration in Austria. Considering these developments, the Group recognised a provision for expected credit loss of trade receivables of KTM AG group of Rs. 12.00 million for the quarter and year ended March 31, 2025.

12. During the year ended March 31, 2026, the Company issued 25,000 number of listed Non-Convertible Debentures ("NCD") of face value of Rs. 1,00,00,000 each aggregating to Rs. 2,500 million on a private placement basis.
