Dear Sir,

Sub.: Emergency Shutdown of Manali & CBR Refinery due to heavy rains and water logging.

Pursuant to Clause 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, this is to inform that due to heavy rains and water logging in the Refinery premises, as a precautionary safety measure, the Manali Refinery of CPCL was shutdown effective 2nd December 2015 (night), and the Cauvery Basin Refinery at Nagapattinam was shutdown effective 6th December 2015 (night).

The above information could not be communicated to the Stock Exchanges earlier due to non-availability of communication system and water logging in the office and the abnormal situation arising out of natural calamity.

We will keep the exchange informed as and when the Refinery Operations (Manali and CBR) are resumed.

Thanking you,

Yours faithfully,
for Chennai Petroleum Corporation Limited
