Subject: Clarification on the Increase in Volume

Dear Sir/Madam,

This is with reference to your email dated 28th April 2026 regarding the significant increase in the trading volume of the Company's securities across the Exchanges in the recent past.

In this regard, we wish to clarify that all investors have access to the latest relevant information concerning the Company. There is no information or announcement, including any impending announcement, which in our opinion may have a material bearing on the price or volume movement of the Company's securities.

Further, the Company is in full compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and continues to ensure timely disclosure of all material events, information, and developments, including any price-sensitive information, to the Stock Exchanges within the prescribed timelines. Accordingly, the recent increase in trading volume of the Company's securities appears to be attributable to prevailing market dynamics, external market conditions, and investor sentiment in the ordinary course of trading, all of which remain beyond the Company's control.

The Company remains committed to maintaining transparency and ensuring that all material information is promptly disseminated to the Stock Exchanges and made readily available to investors through its website, <https://electronicsmartindia.com/>, in accordance with applicable SEBI LODR Regulations.

We request you to kindly take the above clarification on record.
Thanking you.

Yours faithfully,

For **Electronics Mart India Limited**
