Sub: Clarification sought from the Company on NEAPS website of NSE with regards to the Consolidated Financial Results not submitted

Dear Sir/Madam,

We would like to inform you that the Company has complied with and will always comply with the disclosure requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), including intimation to the stock exchanges of all the events / information, etc.

We are forwarding herewith our response as under with regards to the clarification sought by NSE on the NEAPS website:

Emmbi Industries Limited is a manufacturing Company into packaging industry with global export demographic. The Company reiterates and clarifies that the Global Bag sro is neither holding nor a subsidiary Company of Emmbi Industries Limited and that Emmbi Industries has a strategic relationship with Global Bag sro in Czech Republic only for the purpose of marketing and distribution of its products in European region.

Hence, presently the Company has submitted standalone financial results of the Company and consolidated financial results are not applicable and hence not required to be submitted.

Hope this resolves the matter.

We request you to take the above information on record.

Thanking you,

Yours faithfully,

For Emmbi Industries Limited

Kaushal Patvi
Company Secretary
