Dear Sir / Madam,

We would like to clarify that in the PDF file, the "Income from Operations" figure is derived by deducting "GST Recovered" of Rs. 172.63 million from the "Gross Value of Sales" amounting to Rs. 1197.96 million.

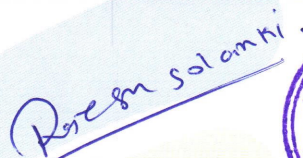

In the XBRL file, there is no designated line item for "GST Recovered." As a result, this amount has been recorded under "Other Expenses."

We have submitted the same XBRL to the BSE Listing Center, and it is being accurately displayed on the BSE website.

We hope this explanation resolves your query.

Thanking you,

Yours Faithfully,
For Emmbi Industries Limited
